[57] CLAIM

The ornamental design for a display dispenser for tubular products, as shown in the drawing.

DESCRIPTION

FIG. 1 is a front quarter elevation view of the display dispenser for tubular products in place to display and dispense tubular products, and wherein that portion of the drawing shown in phantom does not constitute part of the invention.

FIG. 2 is a top elevation view of the display dispenser of the present invention.

FIG. 3 is a side elevation view of the display dispenser of the present invention.

FIG. 4 is a front elevation view of the display dispenser in accordance with the present invention.

FIG. 5 is a rear elevation view of the display dispenser of the present invention; and,

FIG. 6 is a bottom elevation view of the display dispenser of the present invention.
