[57] **CLAIM**

The ornamental design for a jewelry chain, as shown and described.

DESCRIPTION

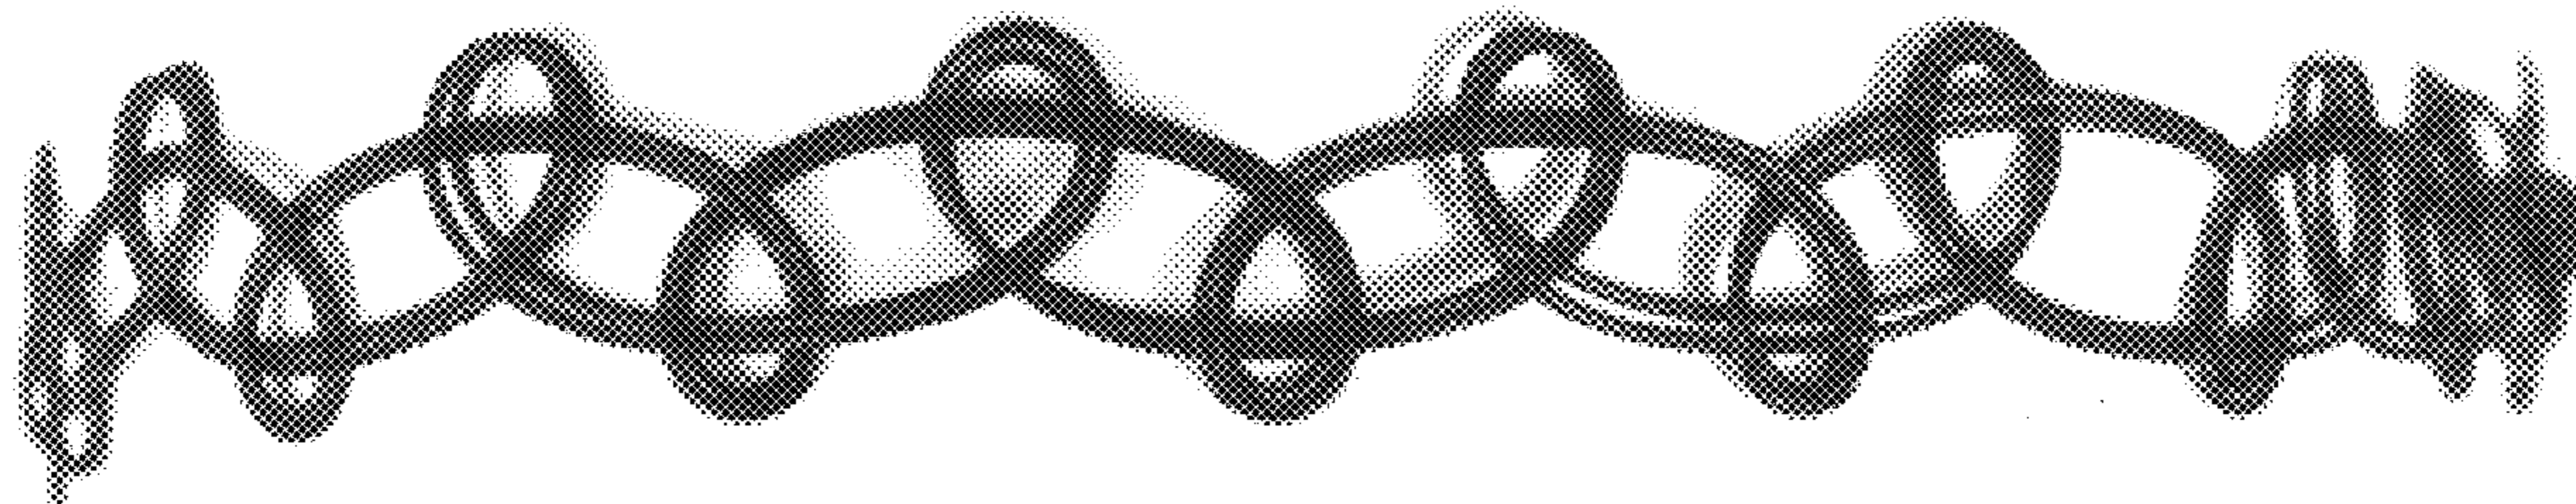

FIG. 1 is a top plan view of a sectional length of a jewelry chain according to the invention shown in a non-fastened, non-use position, the bottom plan view being a mirror image;
FIG. 2 is a first side edge elevation view of a sectional length of the jewelry chain shown in a fastened, use configuration, the opposite side view being a mirror image; and,
FIG. 3 is a top perspective view of the jewelry chain shown in the fastened, use configuration.
