[57] **CLAIM**

The ornamental design for a tread for a shoe sole, as shown and described.

**DESCRIPTION**

FIG. 1 is a bottom plan view of a tread for a shoe sole showing my new design, the broken line showing the shoe sole being for illustrative purposes to show the arrangement and positioning of the design, said the broken lines forming no part of the claimed design; and, FIG. 2 is an enlarged fragmentary sectional view representing the raised and recessed contours, the sectional view being taken on line 2—2 of FIG. 1; and the broken lines showing a portion of the sole forming no part of the claimed design.
