[57] **CLAIM**

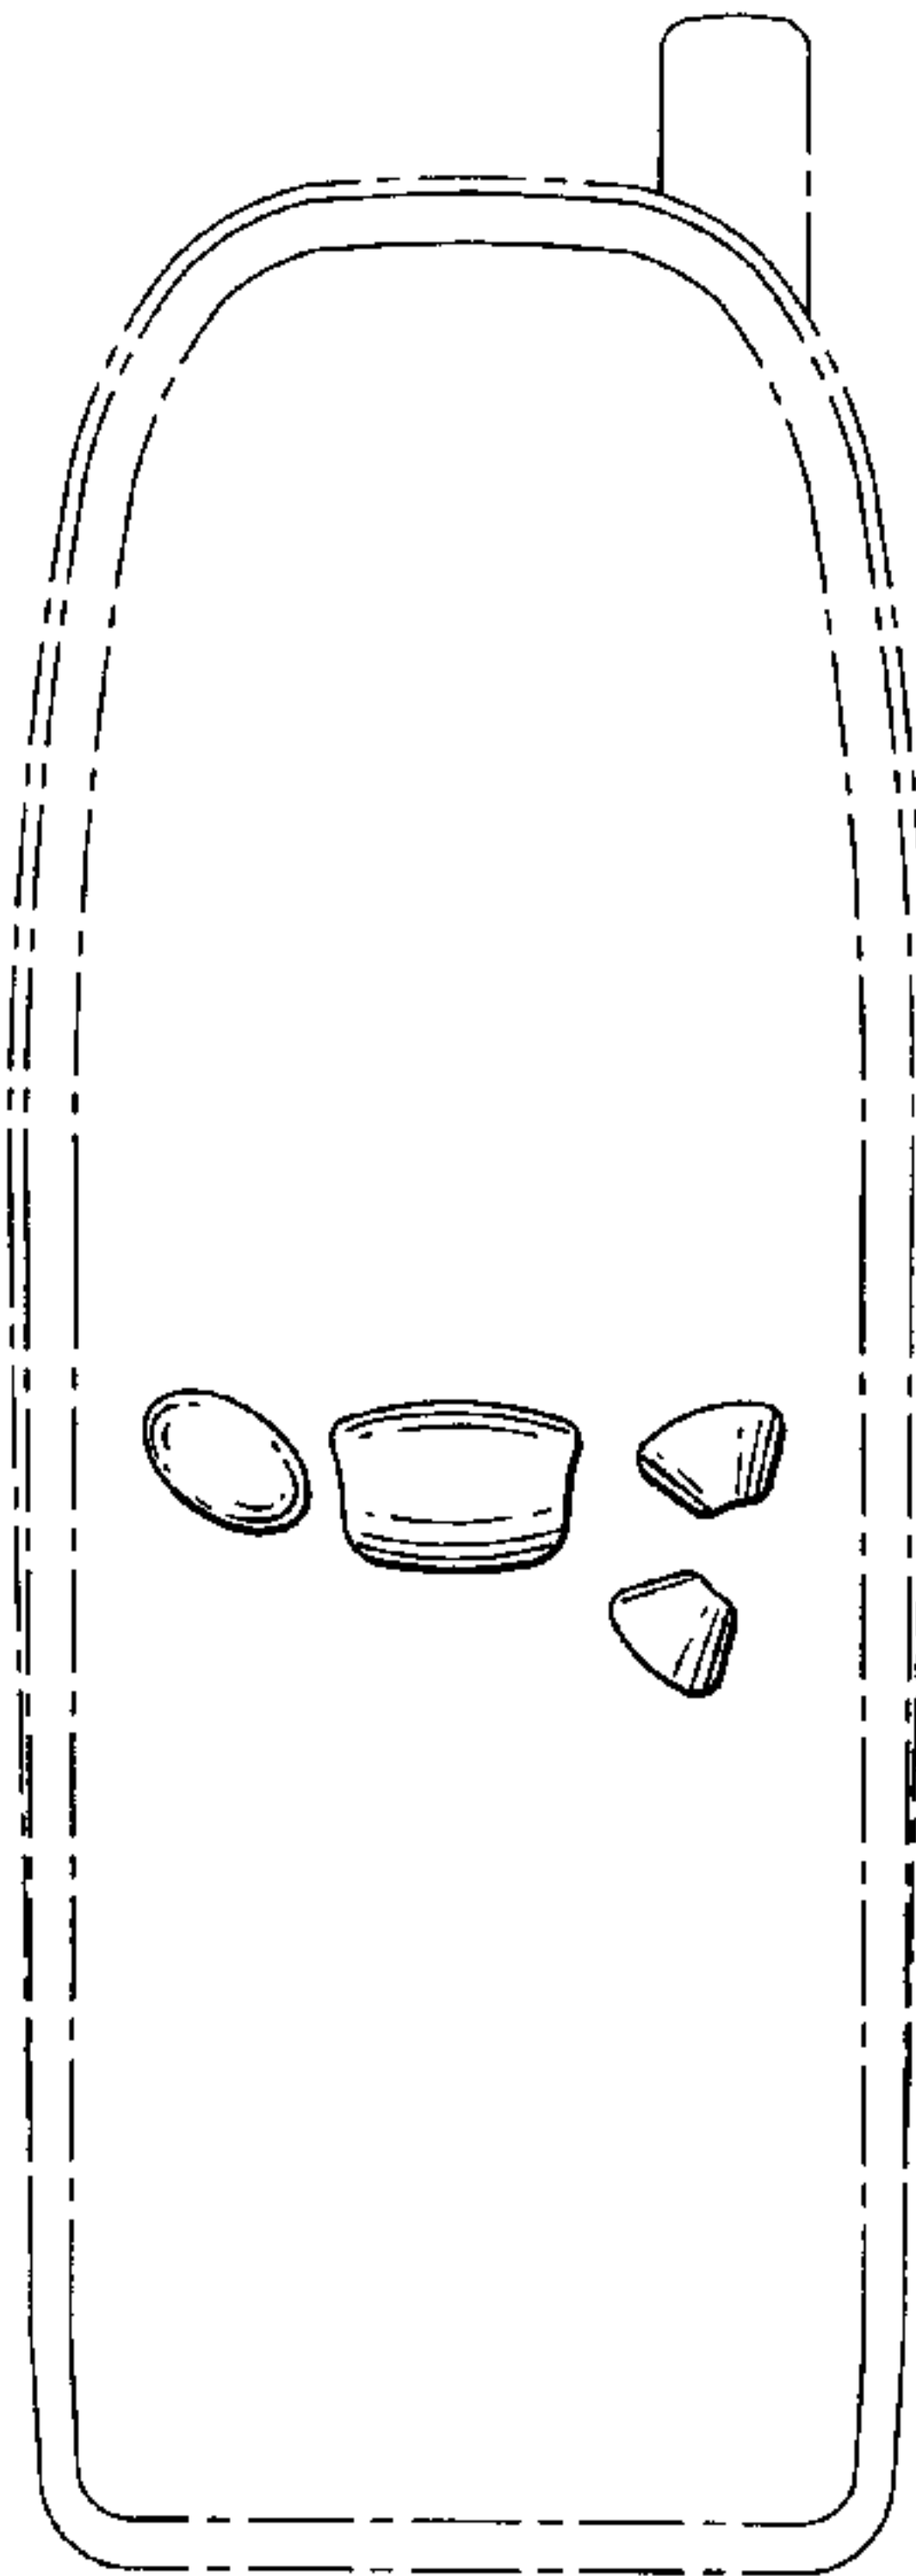

The ornamental design of a “key layout for a telephone handset,” as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a key layout for a telephone handset showing our new design; FIG. 2 is a bottom, right side perspective view thereof; FIG. 3 is a top, left side perspective view thereof; and, FIG. 4 is a front elevational view thereof.

The broken line showing of a telephone handset is for illustration purposes only and forms no part of the claimed invention.
