[57] **CLAIM**

The ornamental design of an interlocking building element, as shown and described.

DESCRIPTION

FIG. 1 is a top-front perspective view of an interlocking building element in accordance with my design;
 FIG. 2 is a top plan view of the interlocking building element shown in FIG. 1, with the bottom plan view being substantially identical;
 FIG. 3 is a front elevational view of the interlocking building element shown in FIGS. 1 and 2, with the rear elevational view thereof being substantially identical;
 FIG. 4 is a side elevational view of my design, as viewed from the left side of FIG. 2, with the right side elevational view thereof being substantially identical;
 FIG. 5 is a top front perspective view of a modified embodiment of the interlocking building element shown in FIGS. 1-4;
 FIG. 6 is a top plan view of the interlocking building element shown in FIG. 5, with the bottom plan view being substantially identical;
 FIG. 7 is a front elevational view of the interlocking building element shown in FIGS. 5 and 6, with the rear elevational view thereof being substantially identical; and,
 FIG. 8 is a side elevational view of my design, as viewed from the left side of FIG. 6, with the right side elevational view being substantially identical.
