[57] **CLAIM**

The ornamental design for a toothbrush having an indicator, as shown and described.

DESCRIPTION

FIG. 1 is a bottom perspective view of a toothbrush having an indicator showing our new design;
FIG. 2 is a perspective view thereof showing the indicator in an alternate configuration; and,
FIG. 3 is a perspective view thereof showing the indicator in a second alternate configuration.

The top, front end and right side of the toothbrush form no part of the claimed design.
