[57] **CLAIM**

The ornamental design for an exterior facing surface configuration of a trunk for an automobile, as shown and described.

DESCRIPTION

FIG. 1 is a front view of an exterior facing surface configuration of a trunk for an automobile according to my novel design;

FIG. 2 is a top view of an exterior facing surface configuration of a trunk for an automobile according to my novel design;

FIG. 3 is a side view from the left of an exterior facing surface configuration of a trunk for an automobile according to my novel design, which is a mirror image of the side view from the right; and,

FIG. 4 is a perspective view from the front right of an exterior facing surface configuration of a trunk for an automobile according to my novel design.

The broken line showing depicts environment and is not part of the claimed design.
