[57] **CLAIM**

The ornamental design for a video telephone, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of the video telephone of our new design, in an opened position;
FIG. 2 is an end view thereof, taken from one end of the video telephone when in a closed position;
FIG. 3 is an end view thereof, taken from the opposite end of the video telephone when in a closed position;
FIG. 4 is a side view thereof, taken from the front of the video telephone when in a closed position;
FIG. 5 is a side view thereof, taken from the rear of the video telephone when in a closed position;
FIG. 6 is a top view thereof; and,
FIG. 7 is a bottom view thereof.
