[57] **CLAIM**

The ornamental design for a button portion of an amplifier, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a button portion of an amplifier showing our new design; FIG. 2 is a top plan view thereof; FIG. 3 is a left side elevational view thereof, the right side elevational view being a mirror image; FIG. 4 is a front elevational view thereof; and, FIG. 5 is a bottom plan view thereof. The amplifier body portion in broken lines is for illustrative purpose only and forms no part of claimed design.
