### [57] CLAIM

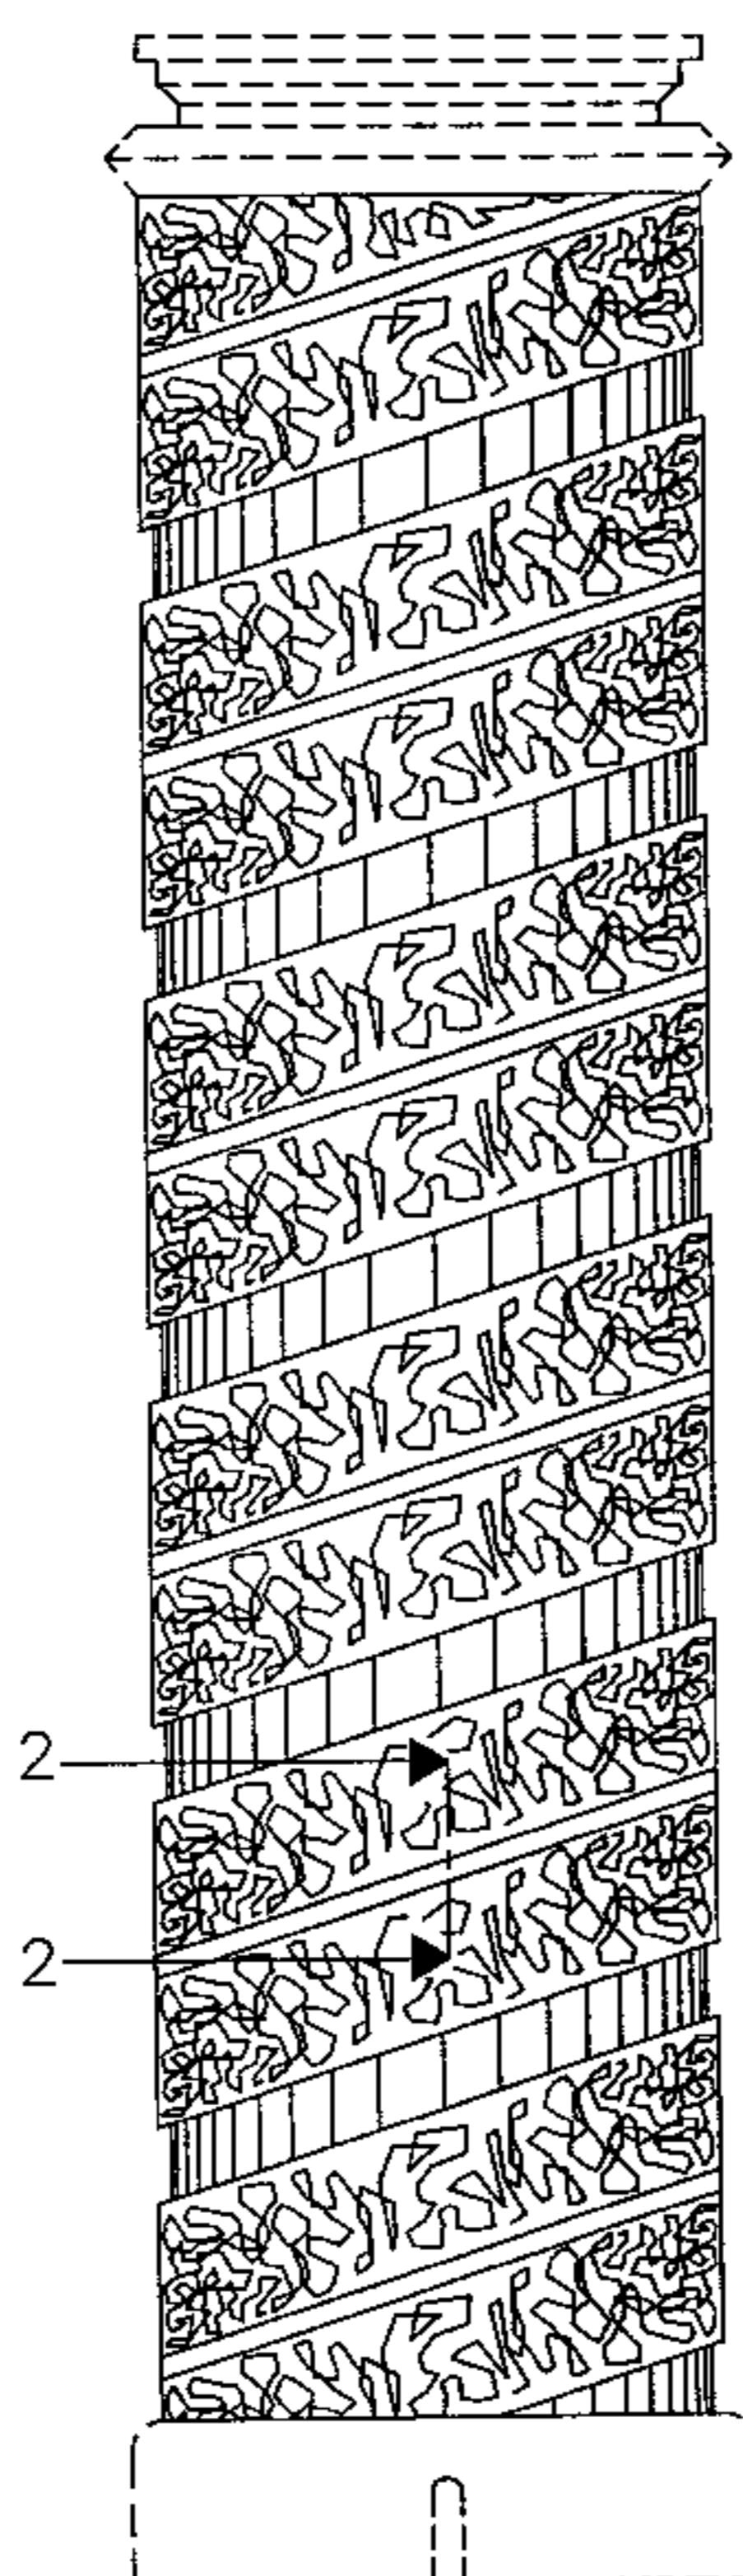

The ornamental design for a cylindrical filter element, as shown and described.

### DESCRIPTION

FIG. 1 is a front view of a cylindrical filter element showing our design with all other side views being identical; and, FIG. 2 is a cross sectional view taken in the direction of line 2—2 of FIG. 1.

The broken line illustration in FIG. 1 is for illustrative purposes only and forms no part of the claimed design.
