[57] **CLAIM**

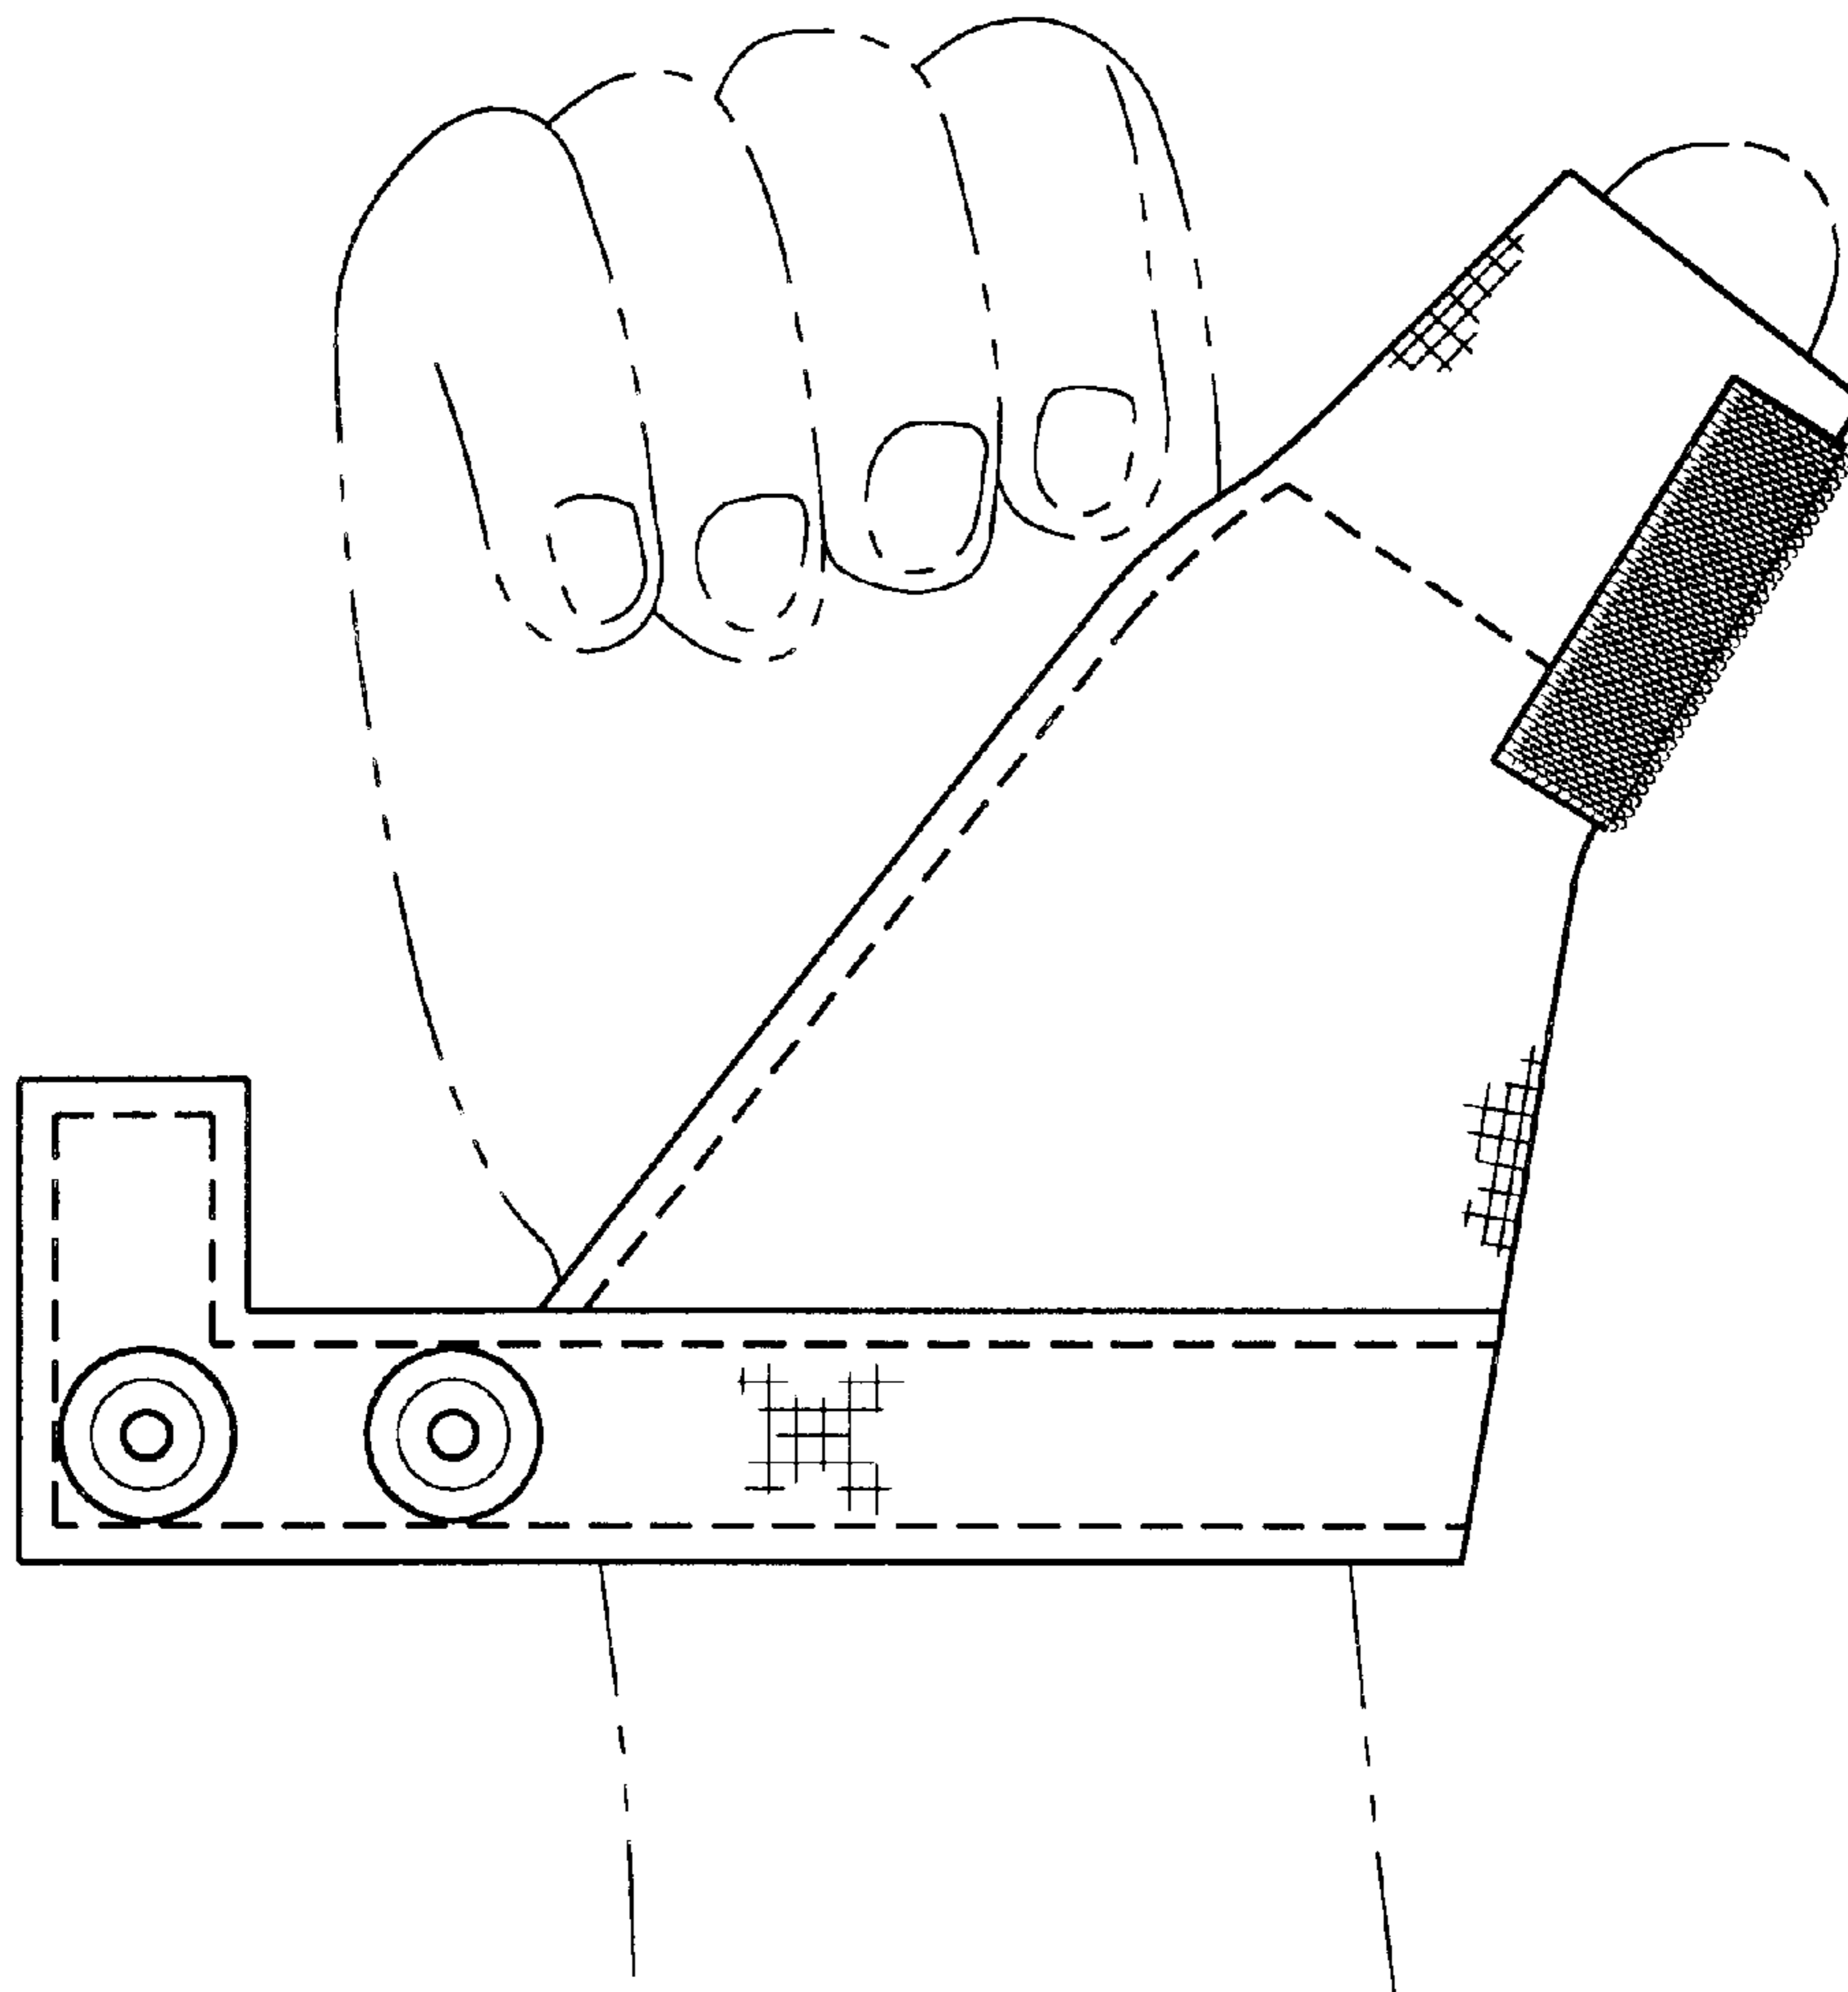

The ornamental design for a child's thumb guard, as shown and described.

DESCRIPTION

FIG. 1 is a first left side elevational view of a child's thumb guard, showing my novel design;
FIG. 2 is a second left side elevational view thereof;
FIG. 3 is a right side elevational view thereof;
FIG. 4 is a bottom plan view thereof;
FIG. 5 is a top plan view thereof;
FIG. 6 is a front side view thereof; and,
FIG. 7 is a back side view thereof.

The broken lines shown on the surface of the child's thumb guard is meant to represent stitching. The fragmentary criss cross pattern shown on the the surface of the child's thumb guard represents a fabric material and is understood to be repeated throughout the guard.
