[57] **CLAIM**

An ornamental design for a trash can receptacle, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a trash can receptacle showing a first embodiment of my new design.

FIG. 2 is a side elevational view of the trash can receptacle of FIG. 1, the opposite side, front, and back elevational views being identical thereto.

FIG. 3 is a top plan view of the trash can receptacle of FIG. 1.

FIG. 4 is a bottom plan view of the trash can receptacle of FIG. 1; and,

FIG. 5 is an elevational view of a trash can receptacle showing a second embodiment of my new design, the side elevational, and top and bottom plan views being the same as FIGS. 2, 3, and 4, respectively, except that the slats are of alternating widths as shown in FIG. 5.
