### [57] CLAIM

I claim the ornamental design for the casket, as shown and described.

### DESCRIPTION

FIG. 1 is a perspective view of a casket showing my new design with half of its lid in an open position and having shading depicting its wood structure;  
FIG. 2 is a top plan view thereof;  
FIG. 3 is a side elevational view thereof, the opposite side is a mirror image; and,  
FIG. 4 is an end elevational view thereof, the opposite end is a mirror image.
