[57] **CLAIM**

The ornamental design for a battery side terminal extender, as shown and described.

DESCRIPTION

FIG. 1 is an end view of a battery side terminal extender showing my new design; FIG. 2 is an expanded perspective view of FIG. 1 ; and, FIG. 3 is an enlarged view of the battery terminal extender of FIG. 1 .

The battery and plurality of cables with an end connector in FIGS. 1 and 2 and the end connector for the plurality of cables in FIG. 3 shown by broken lines in these figures are included to illustrate an associated environment and form no part of the claimed invention.
