### [57] CLAIM

The ornamental design for a combined lower housing and shield of a powered lawn and garden implement, as shown and described.

### DESCRIPTION

FIG. 1 comprises a perspective view, taken from above and from the left, of a combined lower housing and shield of a powered lawn and garden implement according to the present invention;

FIG. 2 is a left-side elevational view thereof with the opposite side being a mirror image;

FIG. 3 is a top plan view thereof; and,

FIG. 4 is a perspective view, taken from below and from the right thereof.

The broken line showing of a partial shaft and wire guard is for illustrative purposes only and forms no part of the claimed design. The bottom surfaces in the perspective view of FIG. 4 form no part of the claimed design.
