[57] **CLAIM**

The ornamental design for a frontal surface configuration of a display panel for a motor vehicle, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a frontal surface configuration of a display panel for a motor vehicle according to my novel design;

FIG. 2 is a perspective view from the top of a frontal surface configuration of a display panel for a motor vehicle according to my novel design;

FIG. 3 is a perspective view from the bottom of a frontal surface configuration of a display panel for a motor vehicle according to my novel design;

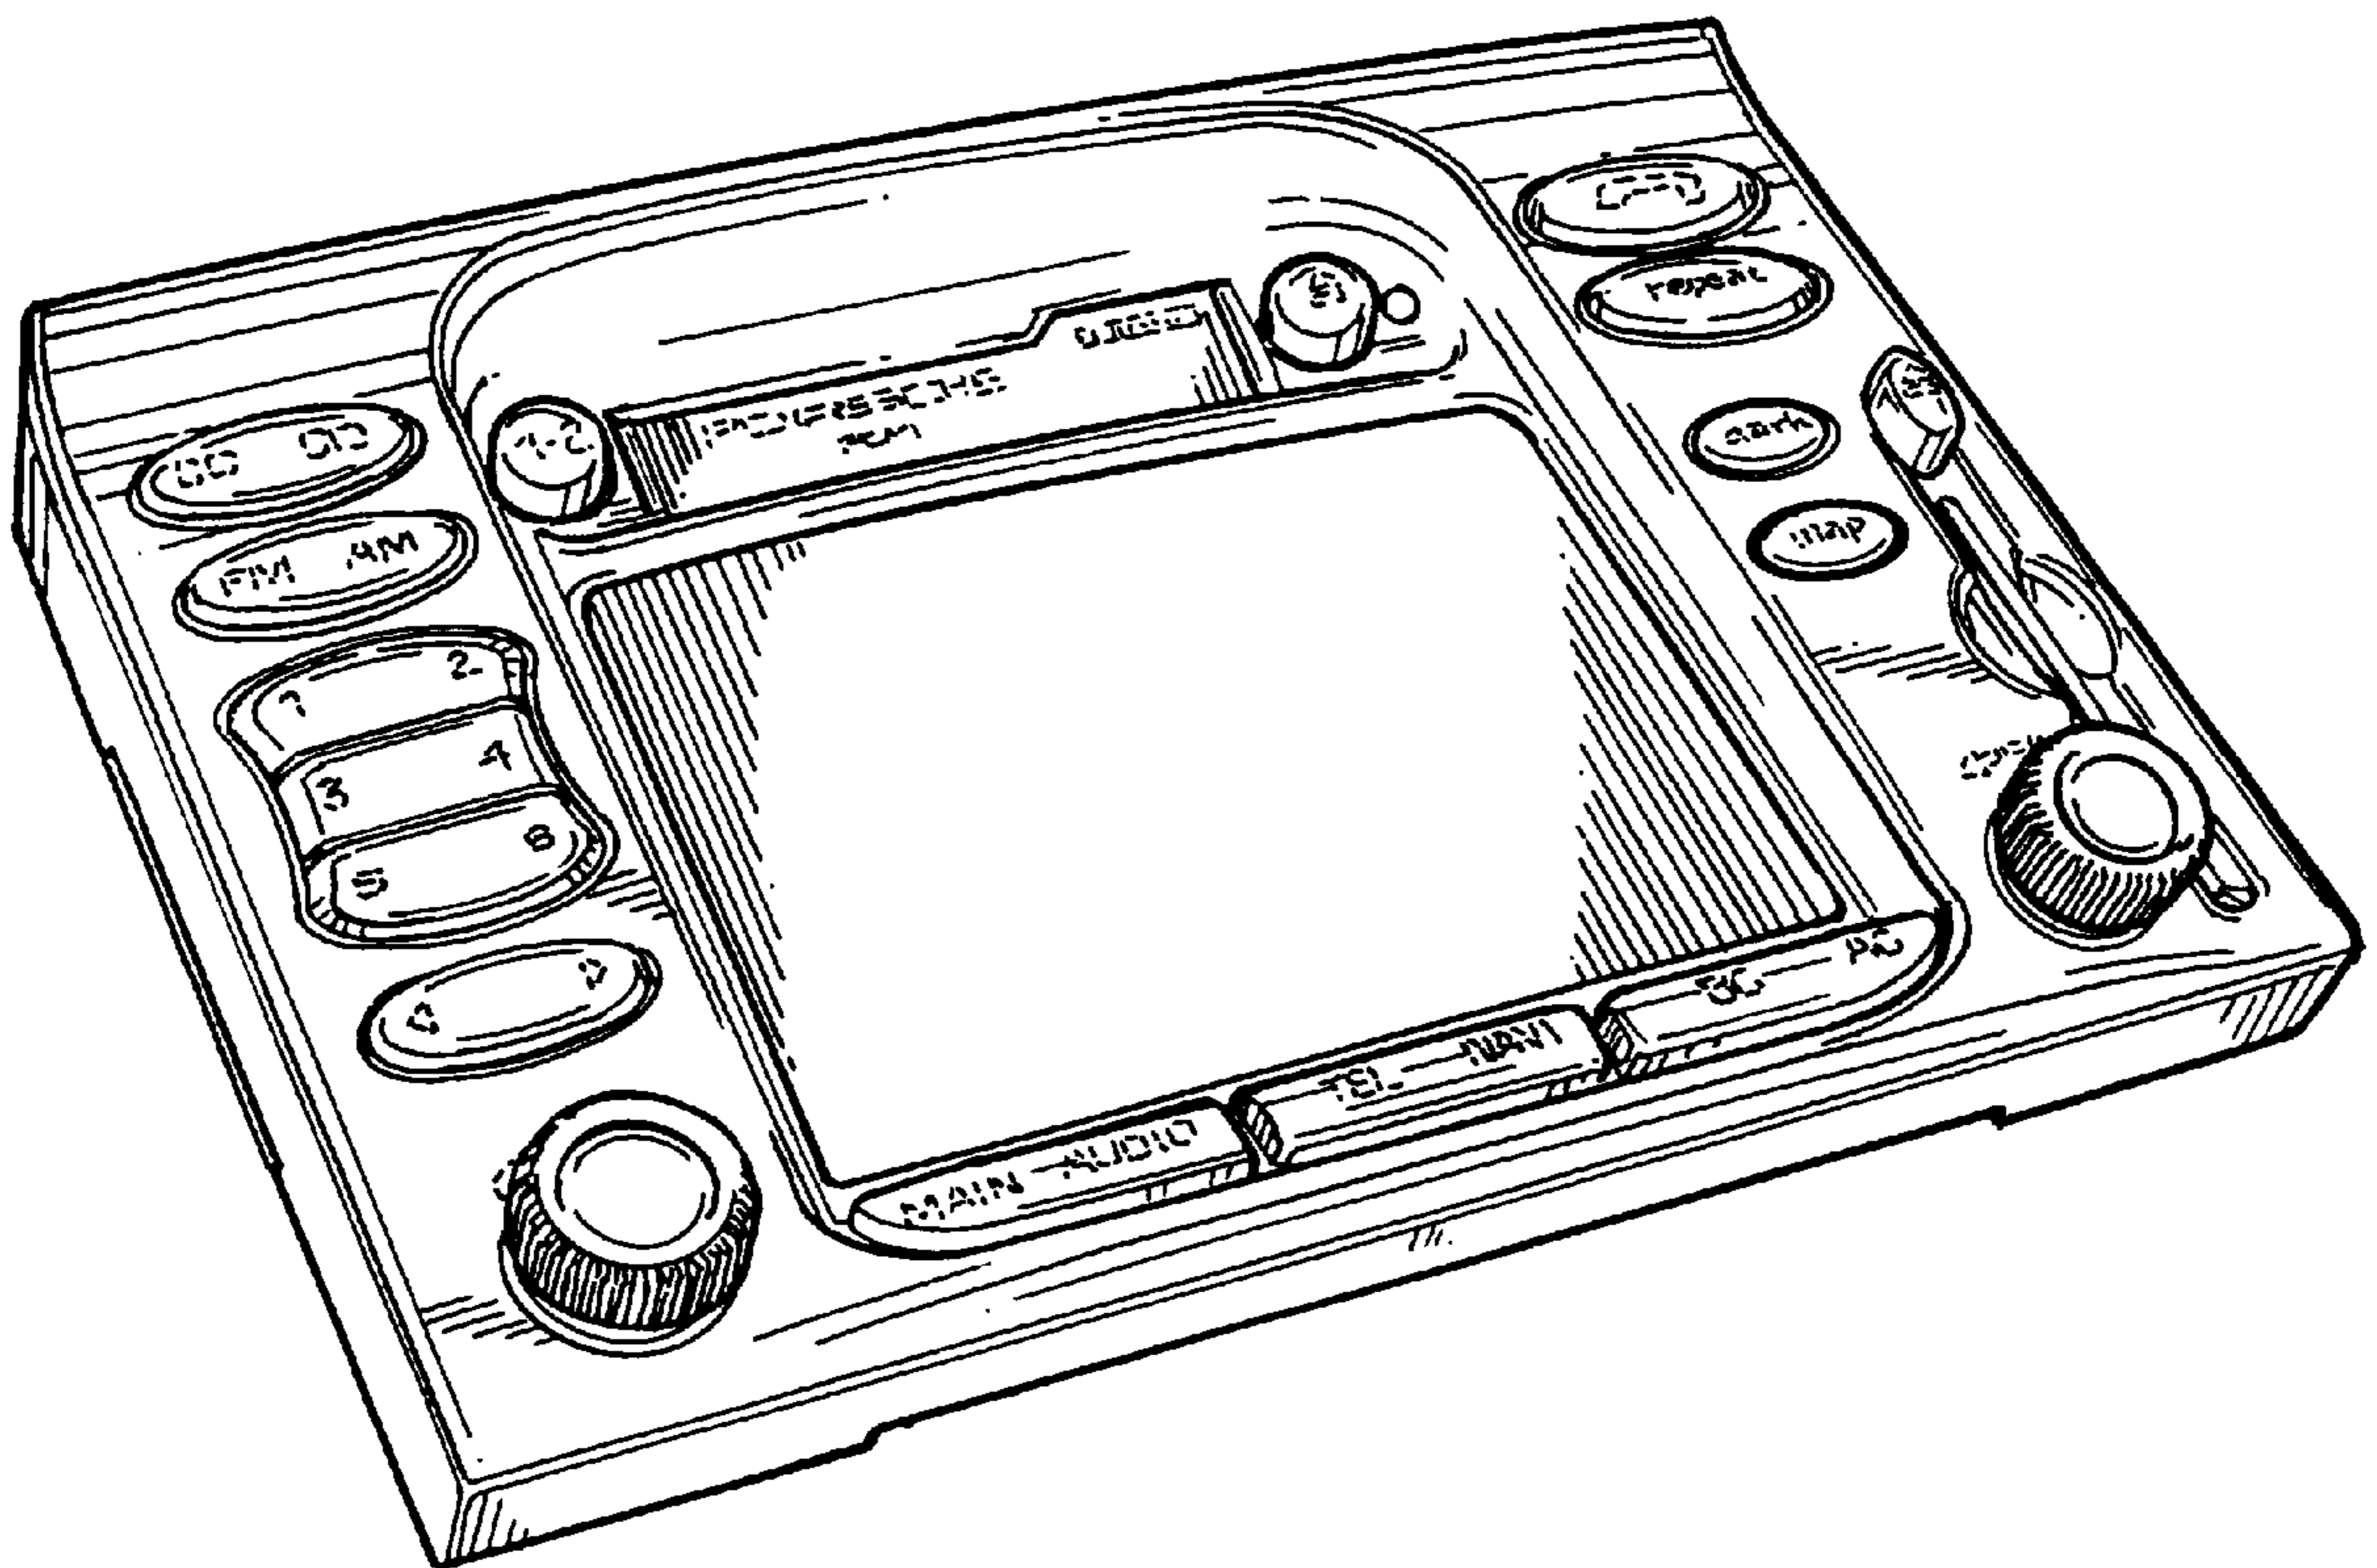

FIG. 4 is a perspective view from the left of a frontal surface configuration of a display panel for a motor vehicle according to my novel design;

FIG. 5 is a perspective view from the right of a frontal surface configuration of a display panel for a motor vehicle according to my novel design; and,

FIG. 6 is a perspective view from the bottom left of a frontal surface configuration of a display panel for a motor vehicle according to my novel design.

The broken line showing on FIGS. 1-6 is for illustrative purposes only and forms no part of the claimed design.
