[57] **CLAIM**

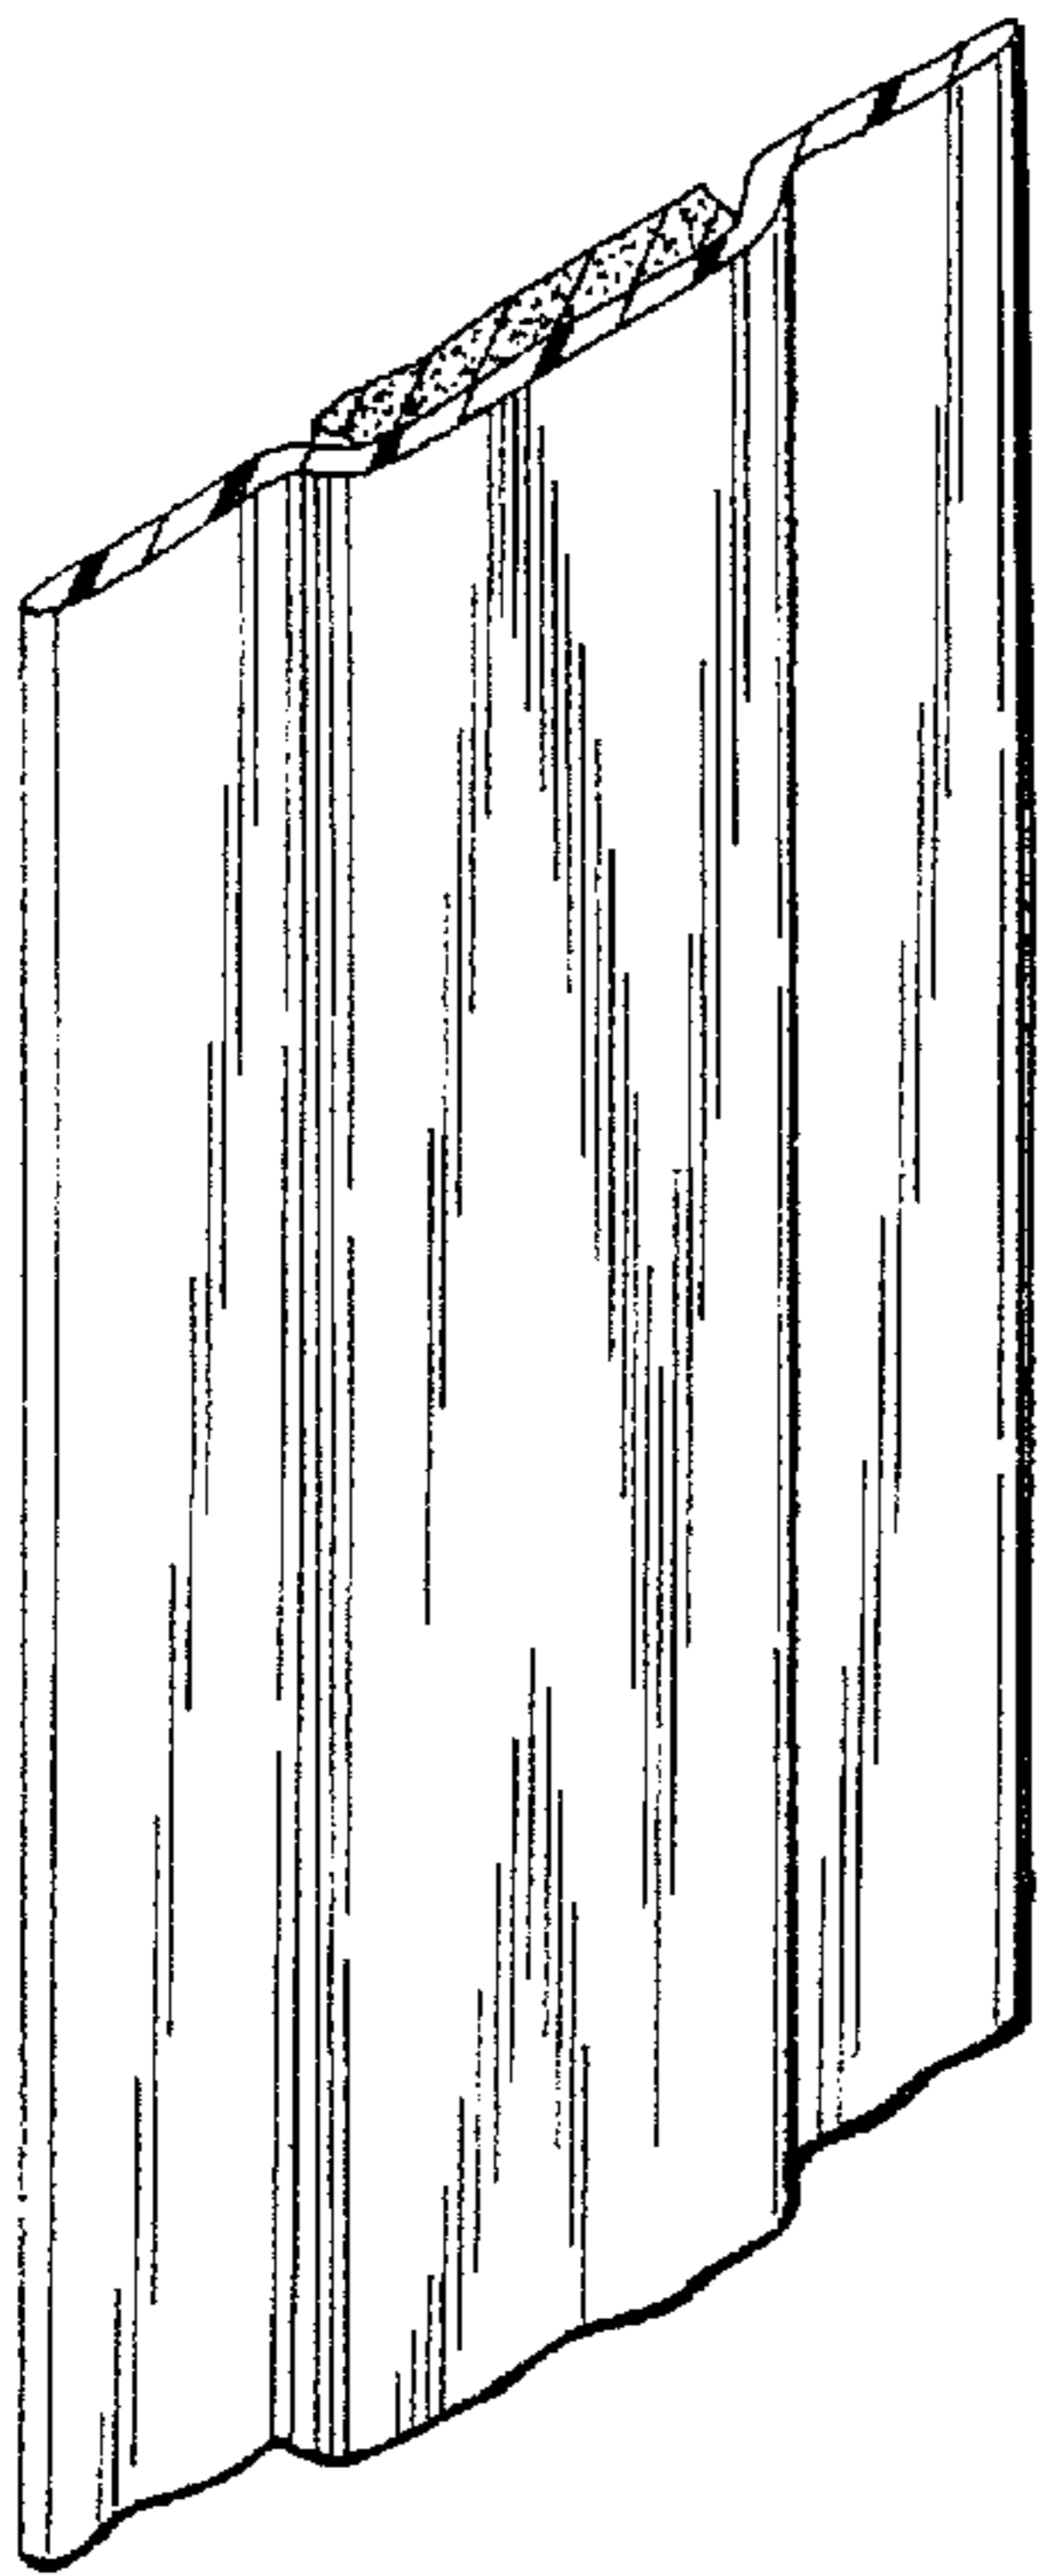

The ornamental design of an intumescent seal, as shown and described.

**DESCRIPTION**

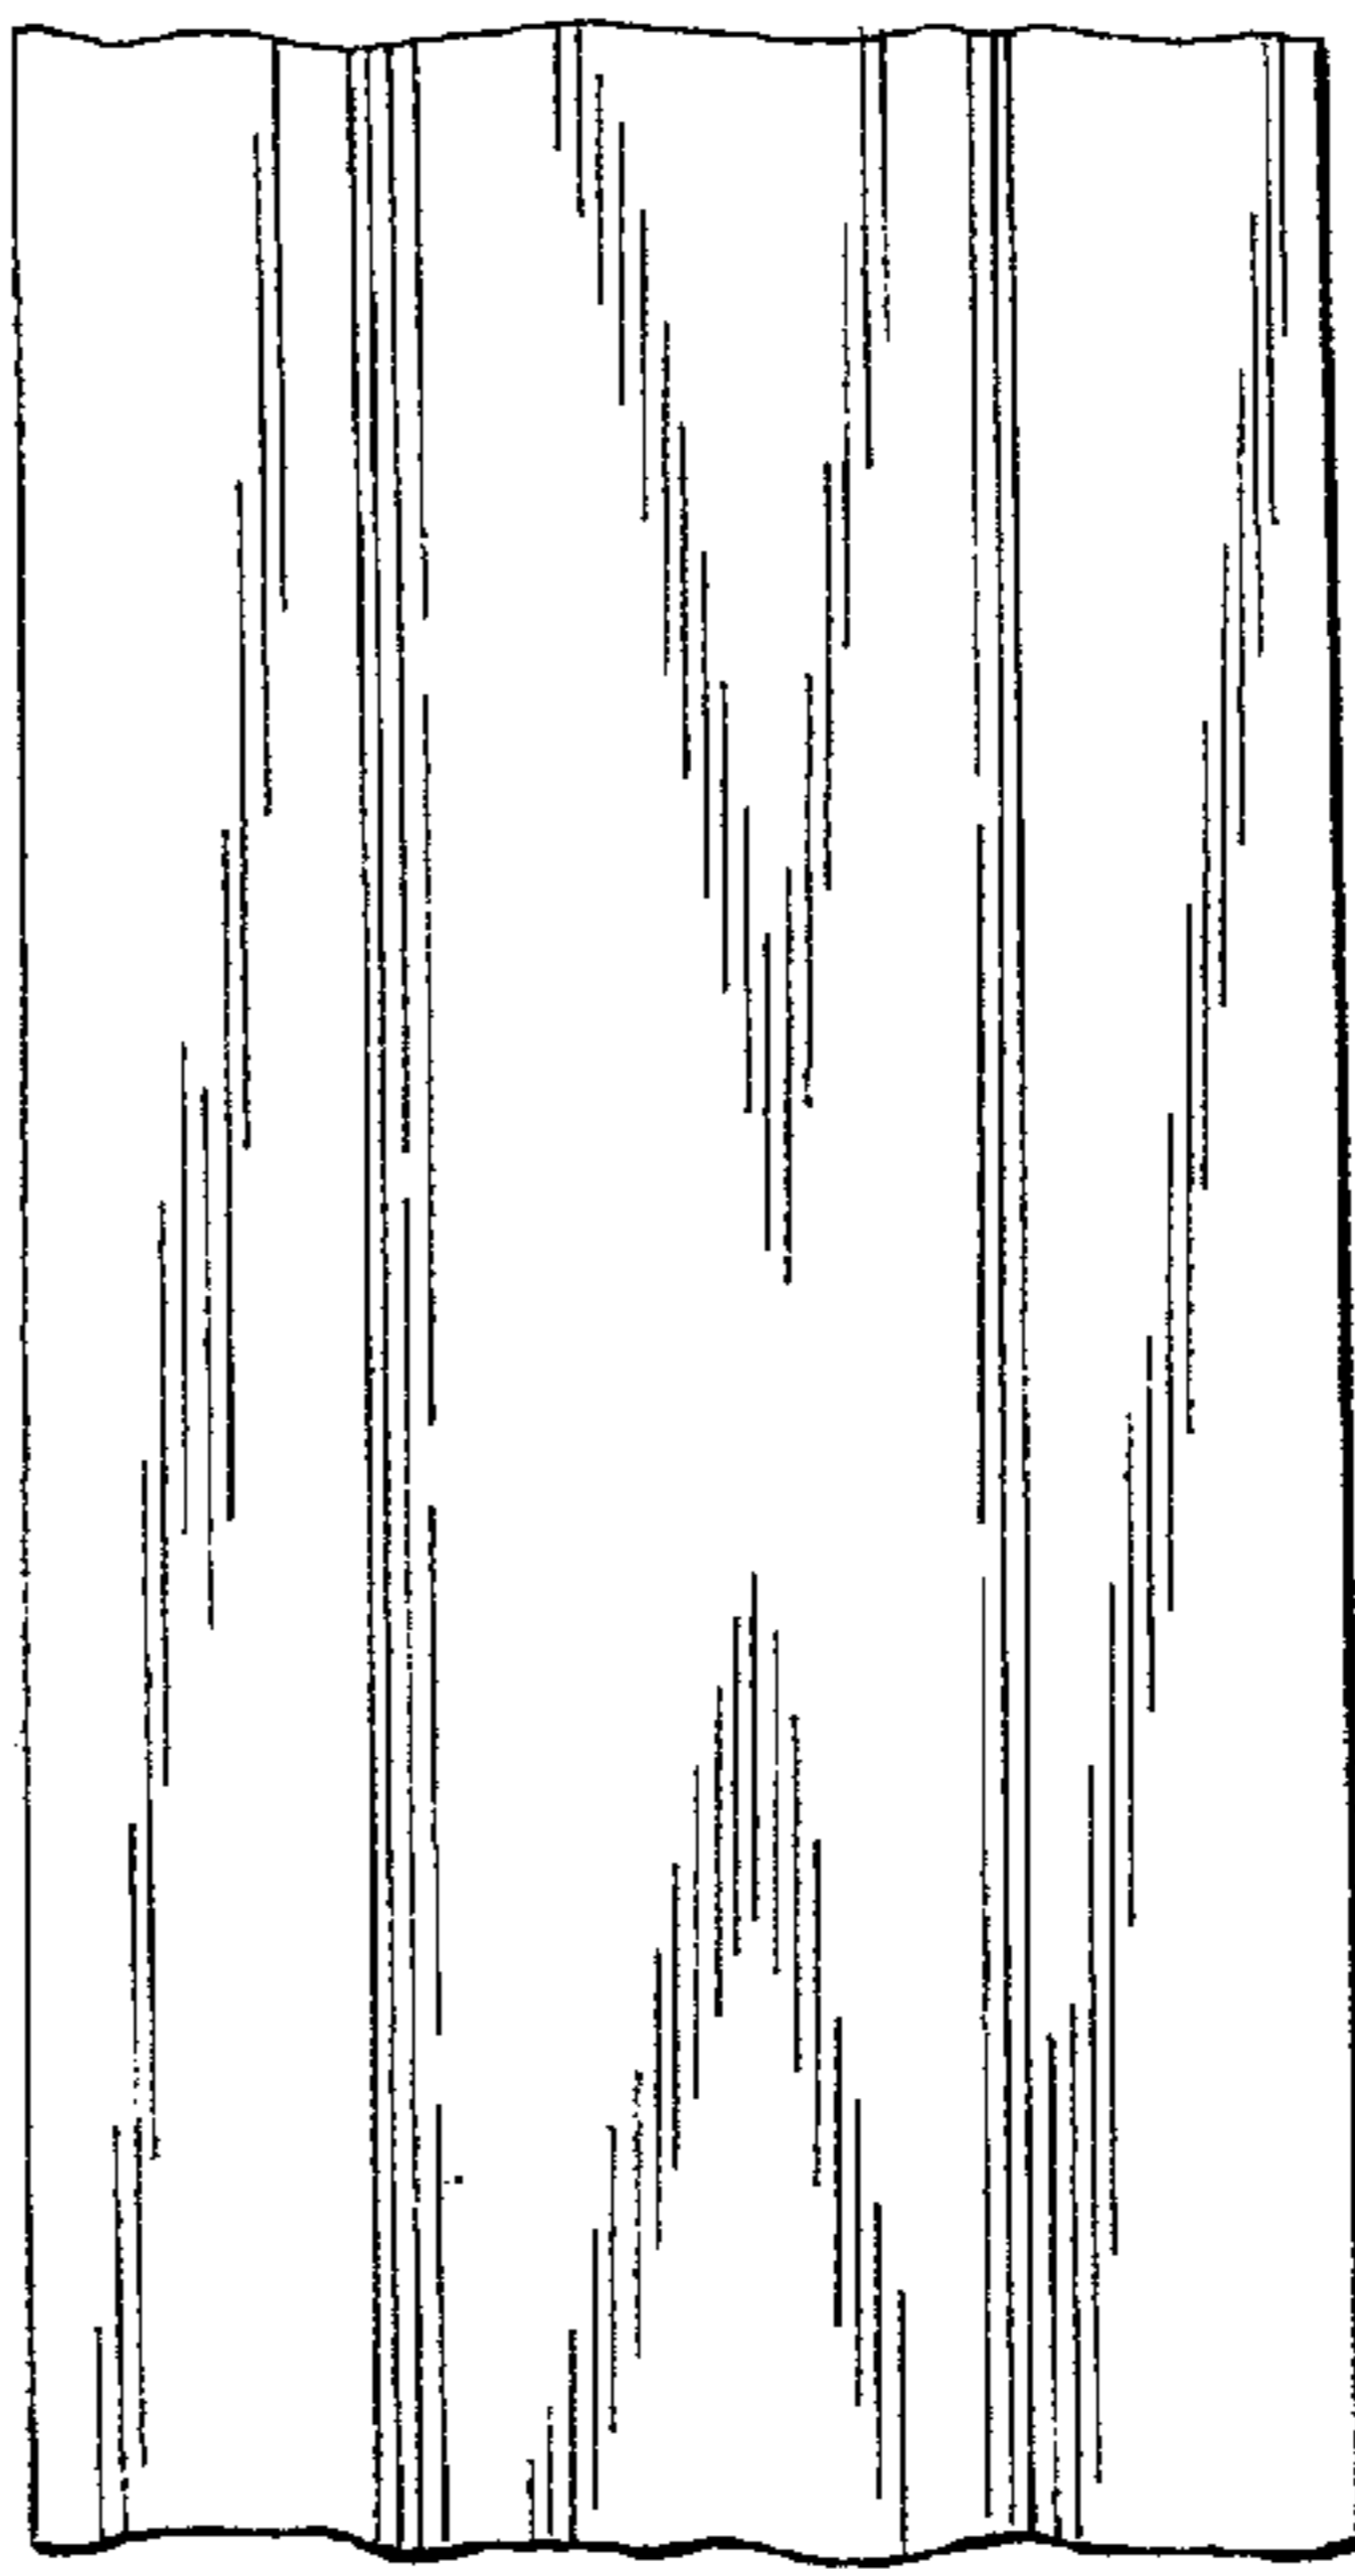

FIG. 1 is a perspective view of the intumescent seal of the present invention;  
FIG. 2 is a front elevational view thereof;  
FIG. 3 is a left side elevational view with a right side elevational view being a substantial mirror image thereof;  
FIG. 4 is a back elevational view thereof; and,  
FIG. 5 is a bottom plan view with a top plan view being a substantial mirror image thereof.  
The intumescent seal is broken on the ends to indicate indefinite length.
