[57] **CLAIM**

The ornamental design for a cart for computer equipment, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a cart for computer equipment, showing our new designs;
FIG. 2 is a right-hand side elevational view, wherein the left-hand side elevational view is substantially identical; and
FIG. 3 is front elevational view thereof;
FIG. 4 is a top plan view of another embodiment of our design; and,
FIG. 5 is a right-hand side elevational view thereof, wherein the left-hand side elevational view is substantially identical. The rear of the cart for computer equipment forms no part of the claimed design.
