## [57] CLAIM

The ornamental design for a surface configuration of a side panel of a vehicle, as shown and described.

#### **DESCRIPTION**

FIG. 1 is a front view of a surface configuration of a side panel of a vehicle according to our novel design;

FIG. 2 is a right side view of a surface configuration of a side panel of a vehicle according to our novel design, the left side view being mirror symmetrical;

FIG. 3 is a top view of a surface configuration of a side panel of a vehicle according to our novel design; and,

FIG. 4 is a perspective view from the front right side of a surface configuration of a side panel of a vehicle according to our novel design.

The broken line included depicts environment and is not part of the claimed design.
