DESCRIPTION

FIG. 1 is a front elevational view of our new design with cups thereon, with the rear elevational view being identical thereto, with the stippling representing textured portions, the non-stippled area beneath the handle representing a glossy area; and with the horizontally grooved surface extending around the design so that the left side elevational view is substantially similar to the front and rear views with the handle portion not being visible in the left side elevational view;

FIG. 2 is a top plan view thereof; and,
FIG. 3 is a bottom plan view thereof; the width A of each handle being substantially the same in the entire distance from top of each handle to a bottom of each handle.
