[57] **CLAIM**

The ornamental design for an adjustable scorekeeping apparatus for the game of tennis, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of an adjustable scorekeeping apparatus for the game of tennis showing my new design;

FIG. 2 is a front elevational view thereof; the rear elevational view being a mirror image thereof.

FIG. 3 is a top plan view thereof;

FIG. 4 is a left side elevational view thereof, the right side elevational view being a mirror image thereof; and,

FIG. 5 is a an exploded enlarged scale fragmentary perspective view of the bottom attachment of a flag.

The components shown in broken lines in FIGS. 1 and 2 indicate the alternate position of said components. The broken line showing of a net with attachment and printed indicia is for illustrative purpose only and forms no part of the claimed design. The bottom, not shown, is declaimed.
