[57] **CLAIM**

The ornamental design for a vehicle brake light inspection unit, as shown and described.

**DESCRIPTION**

FIG. 1 is a diagrammatic perspective view of a vehicle brake light inspection unit in full lines with a steering column and brake pedal shown in broken lines representing environmental association matter being for illustrative purposes only and forming no part of the claimed invention.

FIG. 2 is a front elevational view of vehicle brake light inspection unit.

FIG. 3 is a rear elevational view thereof.

FIG. 4 is a left side elevational view thereof.

FIG. 5 is a right side elevational view thereof.

FIG. 6 is a top plan view of the vehicle brake light inspection unit; and,

FIG. 7 is a bottom plan view thereof.
