[57] **CLAIM**

I claim the ornamental design for an automobile hood, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of an automobile hood in accordance with the present invention shown in a typical location at the front end of an automobile illustrated in broken lines, which automobile forms no part of the subject invention; and

FIG. 2 is a front elevational view thereof;

FIG. 3 is a top plan view thereof; and,

FIG. 4 is a right side elevational view thereof, the left side being a mirror image.

The bottom and rear sides of the automobile hood are not visible during ordinary use.
