[57] **CLAIM**

The ornamental design for an angled stand for caller ID display device, as shown and described.

DESCRIPTION

FIG. 1 is a front-right side perspective view of an angled stand for a caller ID display showing our design. FIG. 2 is a front view of the angled stand for the caller ID device of FIG. 1. FIG. 3 is a left side view of the angled stand for the caller ID device of FIG. 1. FIG. 4 is a bottom view of the angled stand for the caller ID device of FIG. 1; and, FIG. 5 is a rear view of the angled stand for the caller ID device of FIG. 1.

The broken line showings of the top of the caller ID are for illustrative purposes only and form no part of the claimed design. The features shown at the rear, FIG. 5, by means of broken lines, form no part of the claimed design.
