DESCRIPTION

FIG. 1 is a perspective view of a slide latch showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a bottom plan view thereof; and,

FIG. 5 is a right side elevational view thereof, the left side being a mirror image of that shown.

The broken lines showing a panel in which the slide latch is mounted are for illustrative purposes only and form no part of the claimed design.
