[57] **CLAIM**

The ornamental design for golf bag with rings for double shoulder straps, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of a golf bag with rings for double shoulder straps showing my new design;

FIG. 2 is a front elevational view of a secondary shoulder strap;

FIG. 3 is a side elevational view of thereof;

FIG. 4 is a view illustrating the use of the double shoulder straps and rings to divide the weight of the golf bag on the shoulders;

FIG. 5 illustrates an alternate arrangement for dividing the golf bag weight; and,

FIG. 6 illustrates the rings and straps for securing a golf bag to one shoulder.

The broken line showing of environment in FIGS. 4-6 is for illustrative purposes only and forms no part of the claimed design.

The surfaces of portions of the article not shown in the drawing or described in the specification form no part of the claimed design.
