[57] **CLAIM**
I claim the ornamental design for a teaching timepiece, as shown and described.

DESCRIPTION
FIG. 1 is a front elevation view of the teaching timepiece showing my new design; and, FIG. 2 is a top plan view, the bottom and side edges being identical that shown. The rear of the article is flat and unornamented. The structure depicted by means of broken lines in the drawing figures has been shown for illustrative purposes only and forms no part of the claimed design.
