[57] **CLAIM**

The ornamental design for a floral wrapping material, as shown and described.

DESCRIPTION

The file of this patent contains at least one drawing executed in color. Copies of this patent with color drawings will be provided by the Patent and Trademark Office upon request and payment of the necessary fee.

The single FIGURE is a plan view of a floral wrapping material showing my new design.

The surfaces or portions of the article not shown in the drawing or described in the specification form no part of the claimed design.
