[57] **CLAIM**
The ornamental design for a motorcycle tire, as shown and
described.

DESCRIPTION
FIG. 1 is a front elevational view of a motorcycle tire
embodying our design, the rear elevational view being a
mirror image thereof, it being understood that the tread
pattern repeats uniformly throughout the circumference of
the tire;
FIG. 2 is an enlarged fragmentary front elevational view of
the motorcycle tire in FIG. 1;
FIG. 3 is a perspective view of the motorcycle tire in FIG.
1; and,
FIG. 4 is a right elevational view of the motorcycle tire in
FIG. 1, the left elevational view being a mirror image
thereof.
