[57] **CLAIM**

The ornamental design for the link for jewelry chain, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a link for jewelry chain, showing my new design and adjacent links of a jewelry chain in phantom lines, a back elevational view being identical to the front elevational view;

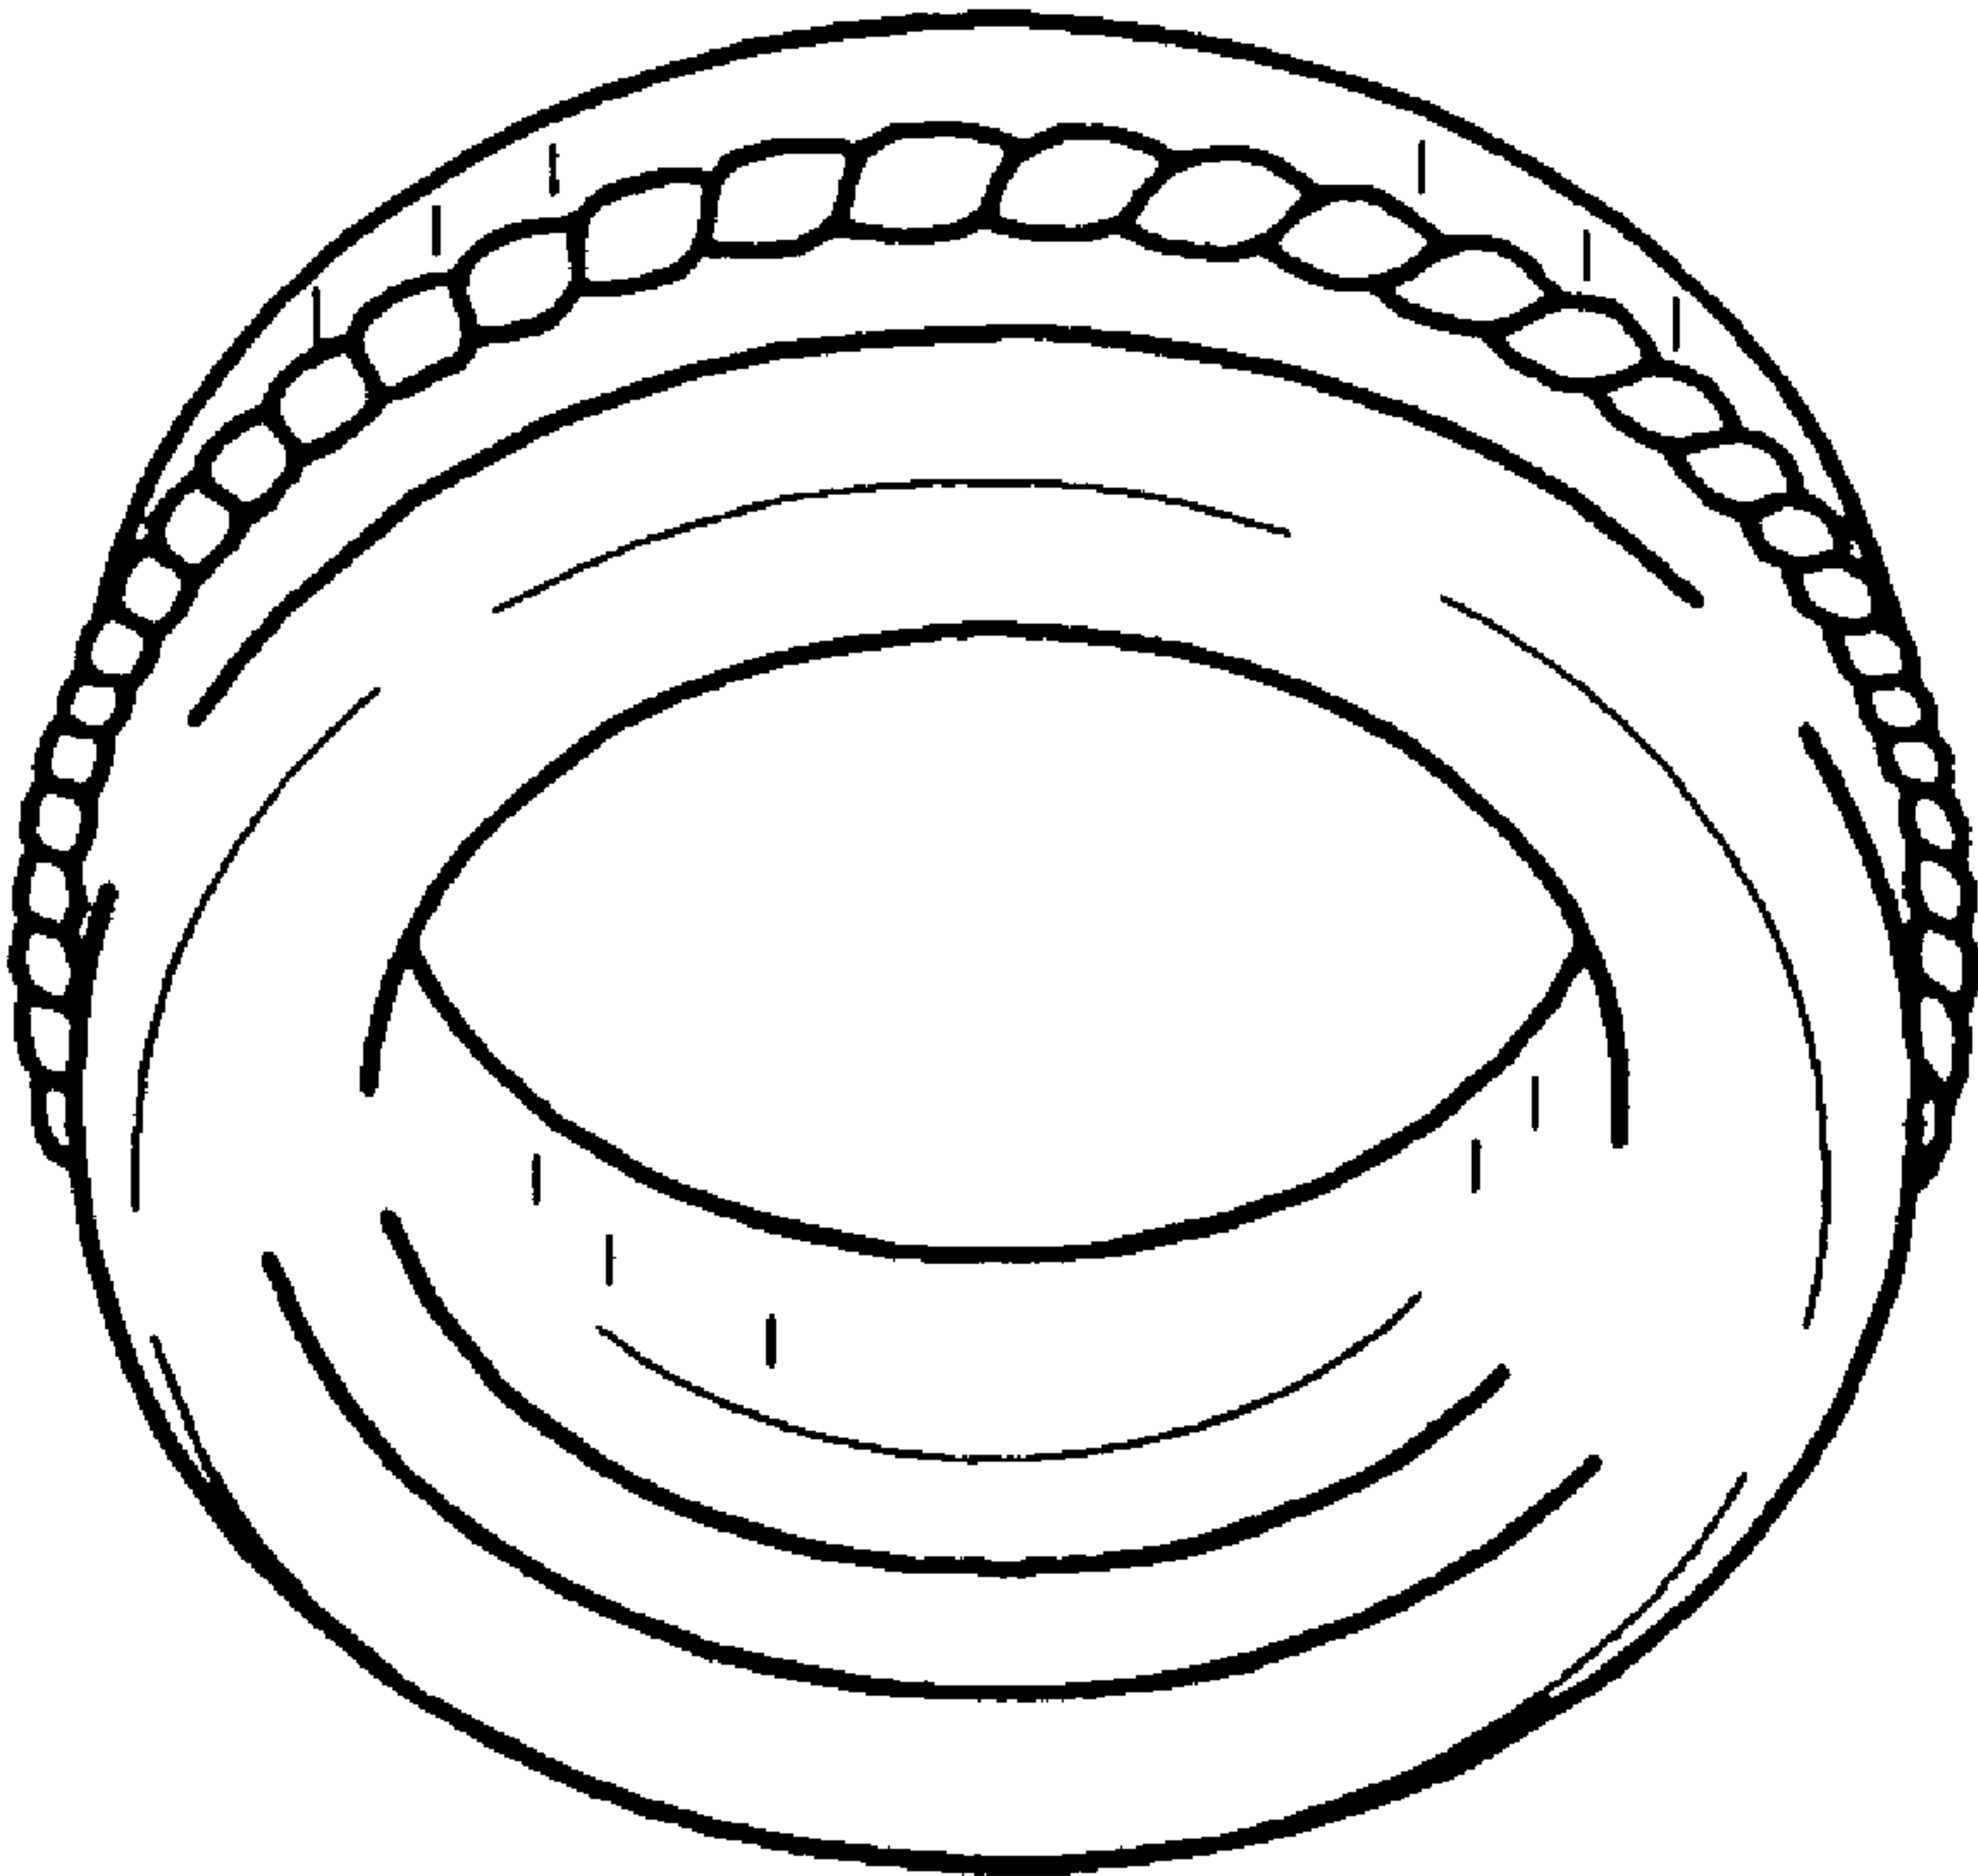

FIG. 2 is a top plan view thereof, showing adjacent links to a jewelry chain in phantom lines, a bottom plan view being identical to the top plan view;

FIG. 3 is a left side elevational view thereof, showing my new design and an adjacent link of a jewelry chain in phantom lines, a right side elevational view being identical to the left side elevational view;

FIG. 4 is front, top, and left side perspective view thereof; and,

FIG. 5 is a perspective view of a jewelry chain incorporating a plurality of links each being a link for jewelry chain as described and illustrated herein.
