[57] **CLAIM**

The ornamental design for a shoe accessory for attachment to shoe laces, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the shoe accessory design shown as it would appear attached to a shoe by shoelaces, with the shoe and shoelaces shown in phantom line; FIG. 2 is a perspective view of the shoe accessory design showing the front, top, and left side thereof; FIG. 3 is a front elevation view thereof; FIG. 4 is a rear elevation view thereof; and, FIG. 5 is a left side elevation view thereof, the right side elevation view being essentially a mirror image thereof. The broken lines are shown for illustrative purposes only and form no part of the claimed design.
