[57] CLAIM

The ornamental design for a body member for a housing for an air cleaner, as shown and described.

DESCRIPTION

FIG. 1 is a front side elevational view of a body member for a housing for an air cleaner, according to the present invention, the broken-line showing of environmental structure being for illustrative purposes only and forming no part of the claimed design.

FIG. 2 is a back side elevational view of the body member of FIG. 1, the broken-line showing of environmental structure being for illustrative purposes only and forming no part of the claimed design.

FIG. 3 is a bottom plan view of the body member of FIG. 1, the broken-line showing of environmental structure being for illustrative purposes only and forming no part of the claimed design.

FIG. 4 is a top plan view of the body member of FIG. 1, the broken-line showing of environmental structure being for illustrative purposes only and forming no part of the claimed design; and,

FIG. 5 is a left side elevational view of the body member of FIG. 1.

The right side elevational view is not depicted, as it is plain and unornamented.
