### DESCRIPTION

FIG. 1 is a perspective view of a flush handle quarter turn latch showing my design, the latch being shown mounted in a panel and shown in a closed position.

FIG. 2 is a top plan view of FIG. 1;

FIG. 3 is a side elevational view of FIG. 1, the opposite side view is a mirror image thereof.

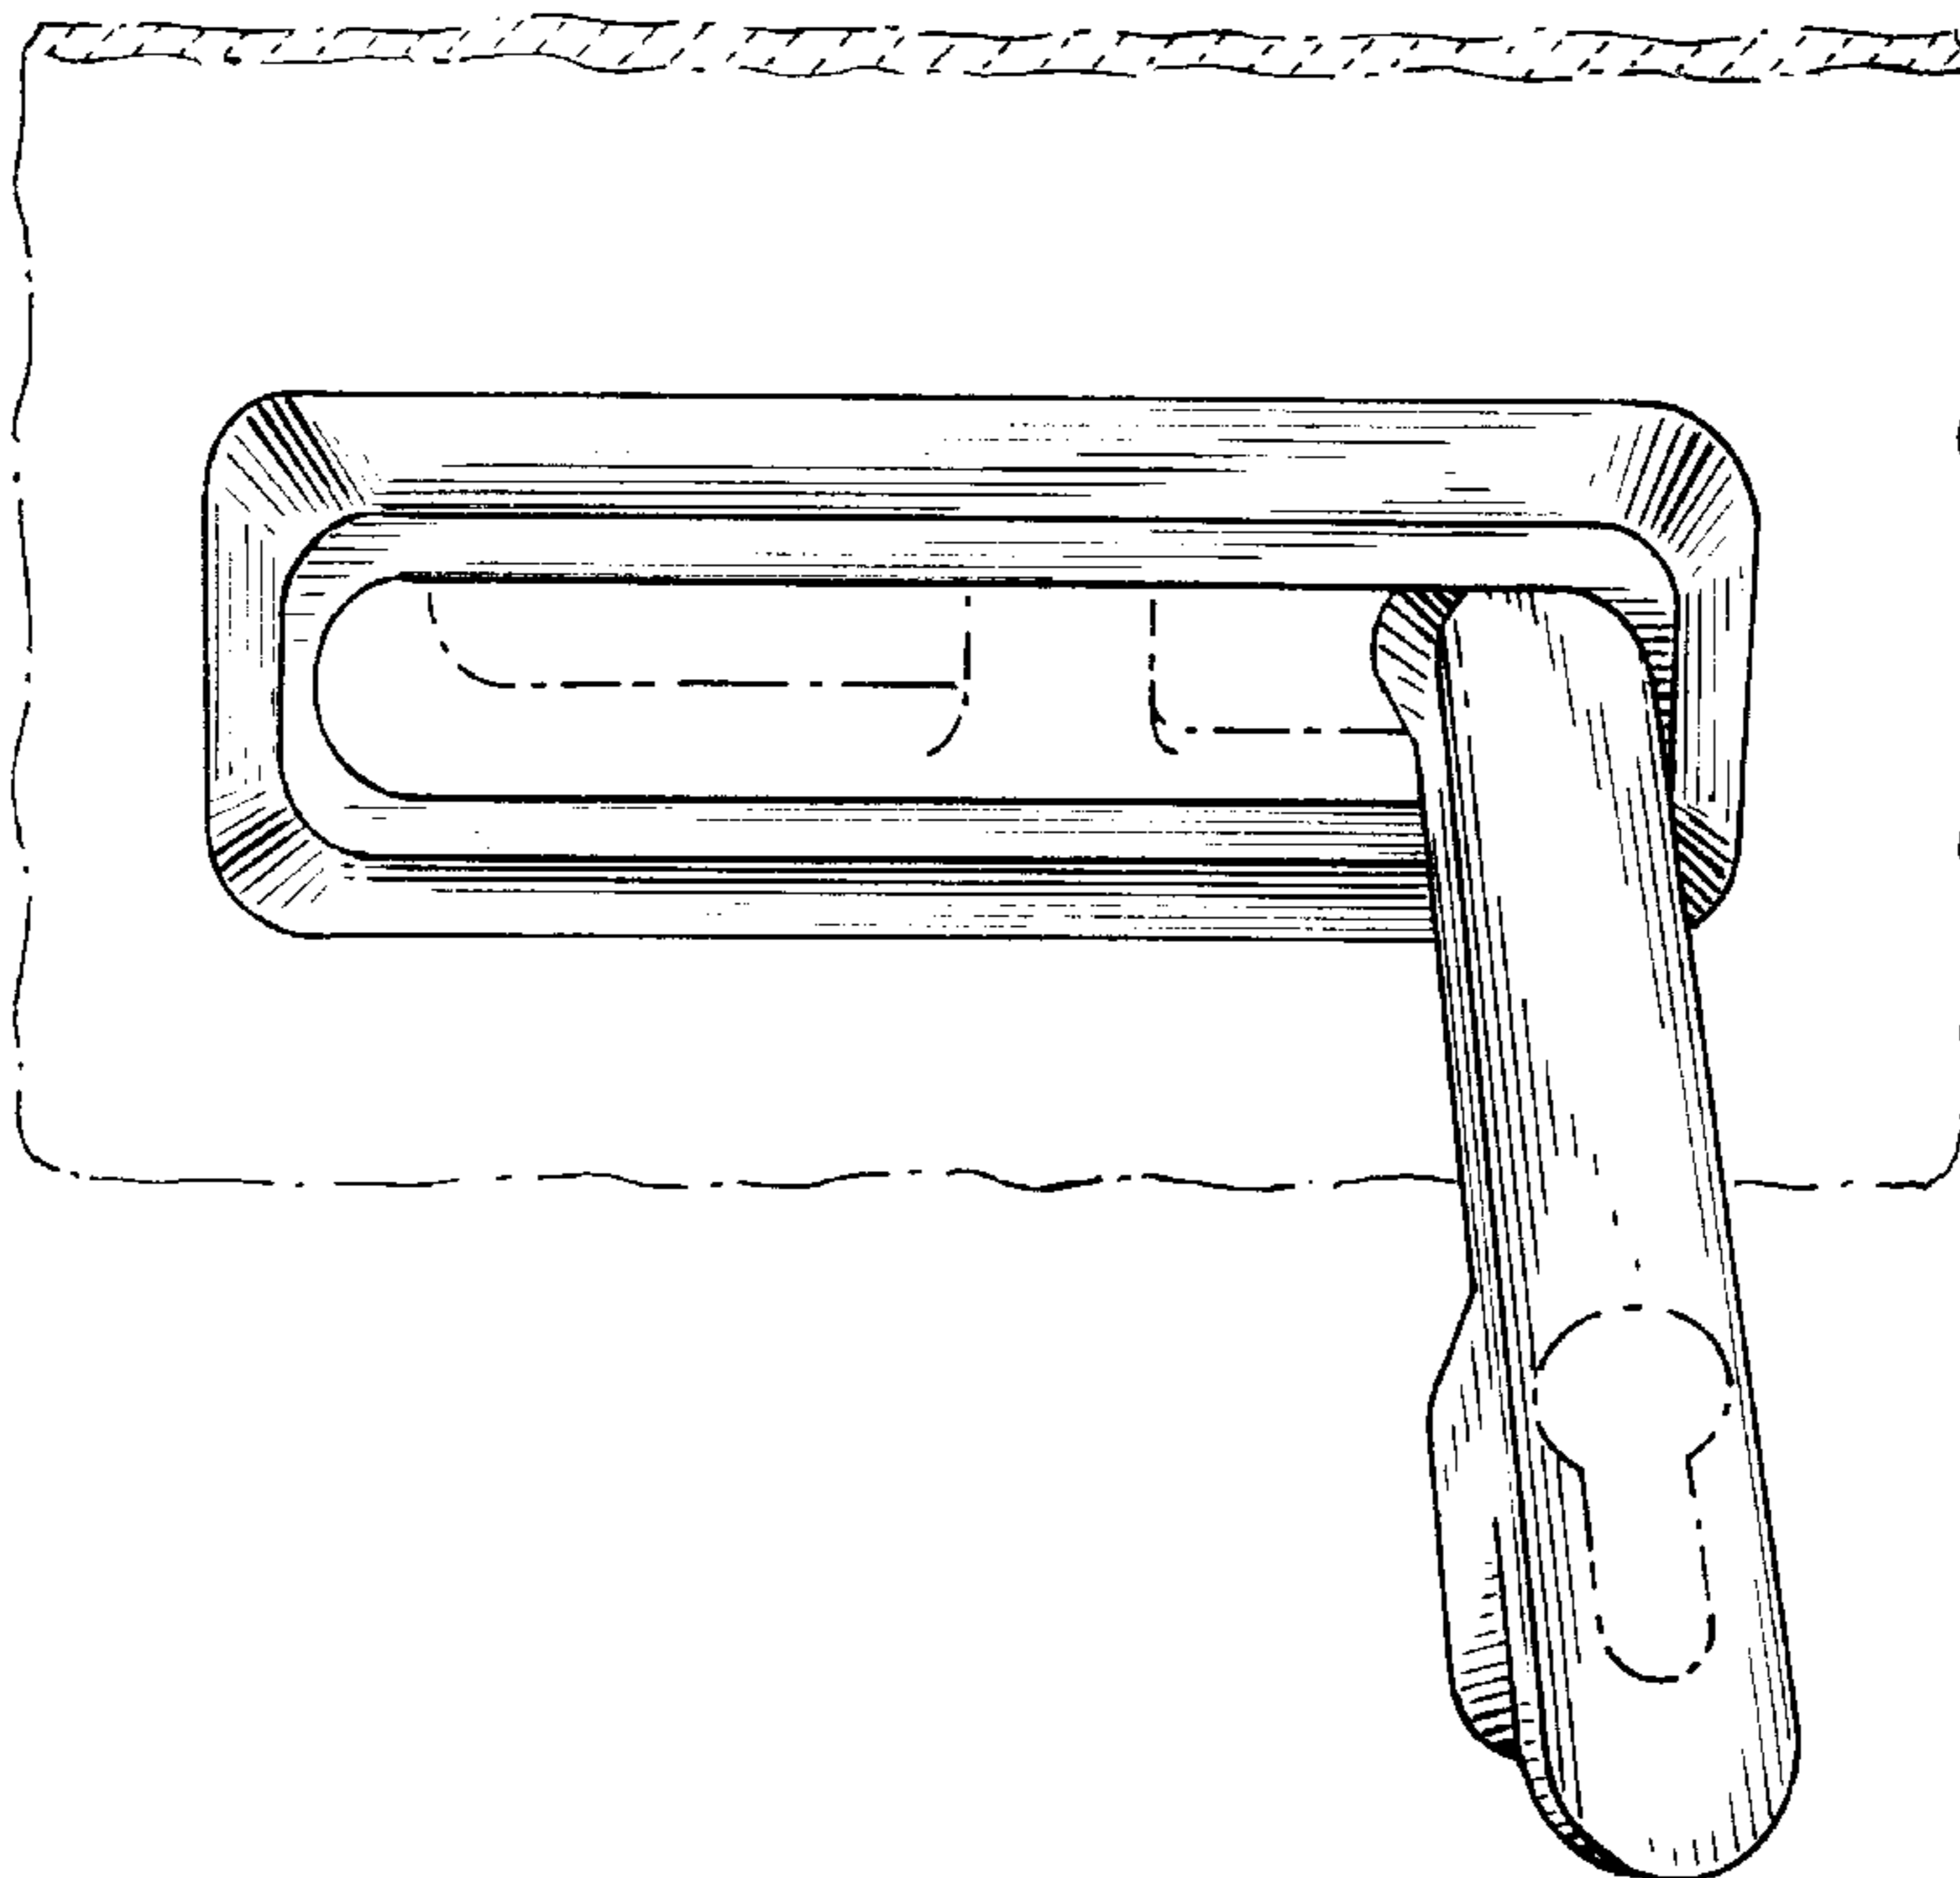

FIG. 4 is a front elevational view of FIG. 1, the rear view is a mirror image thereof; and,

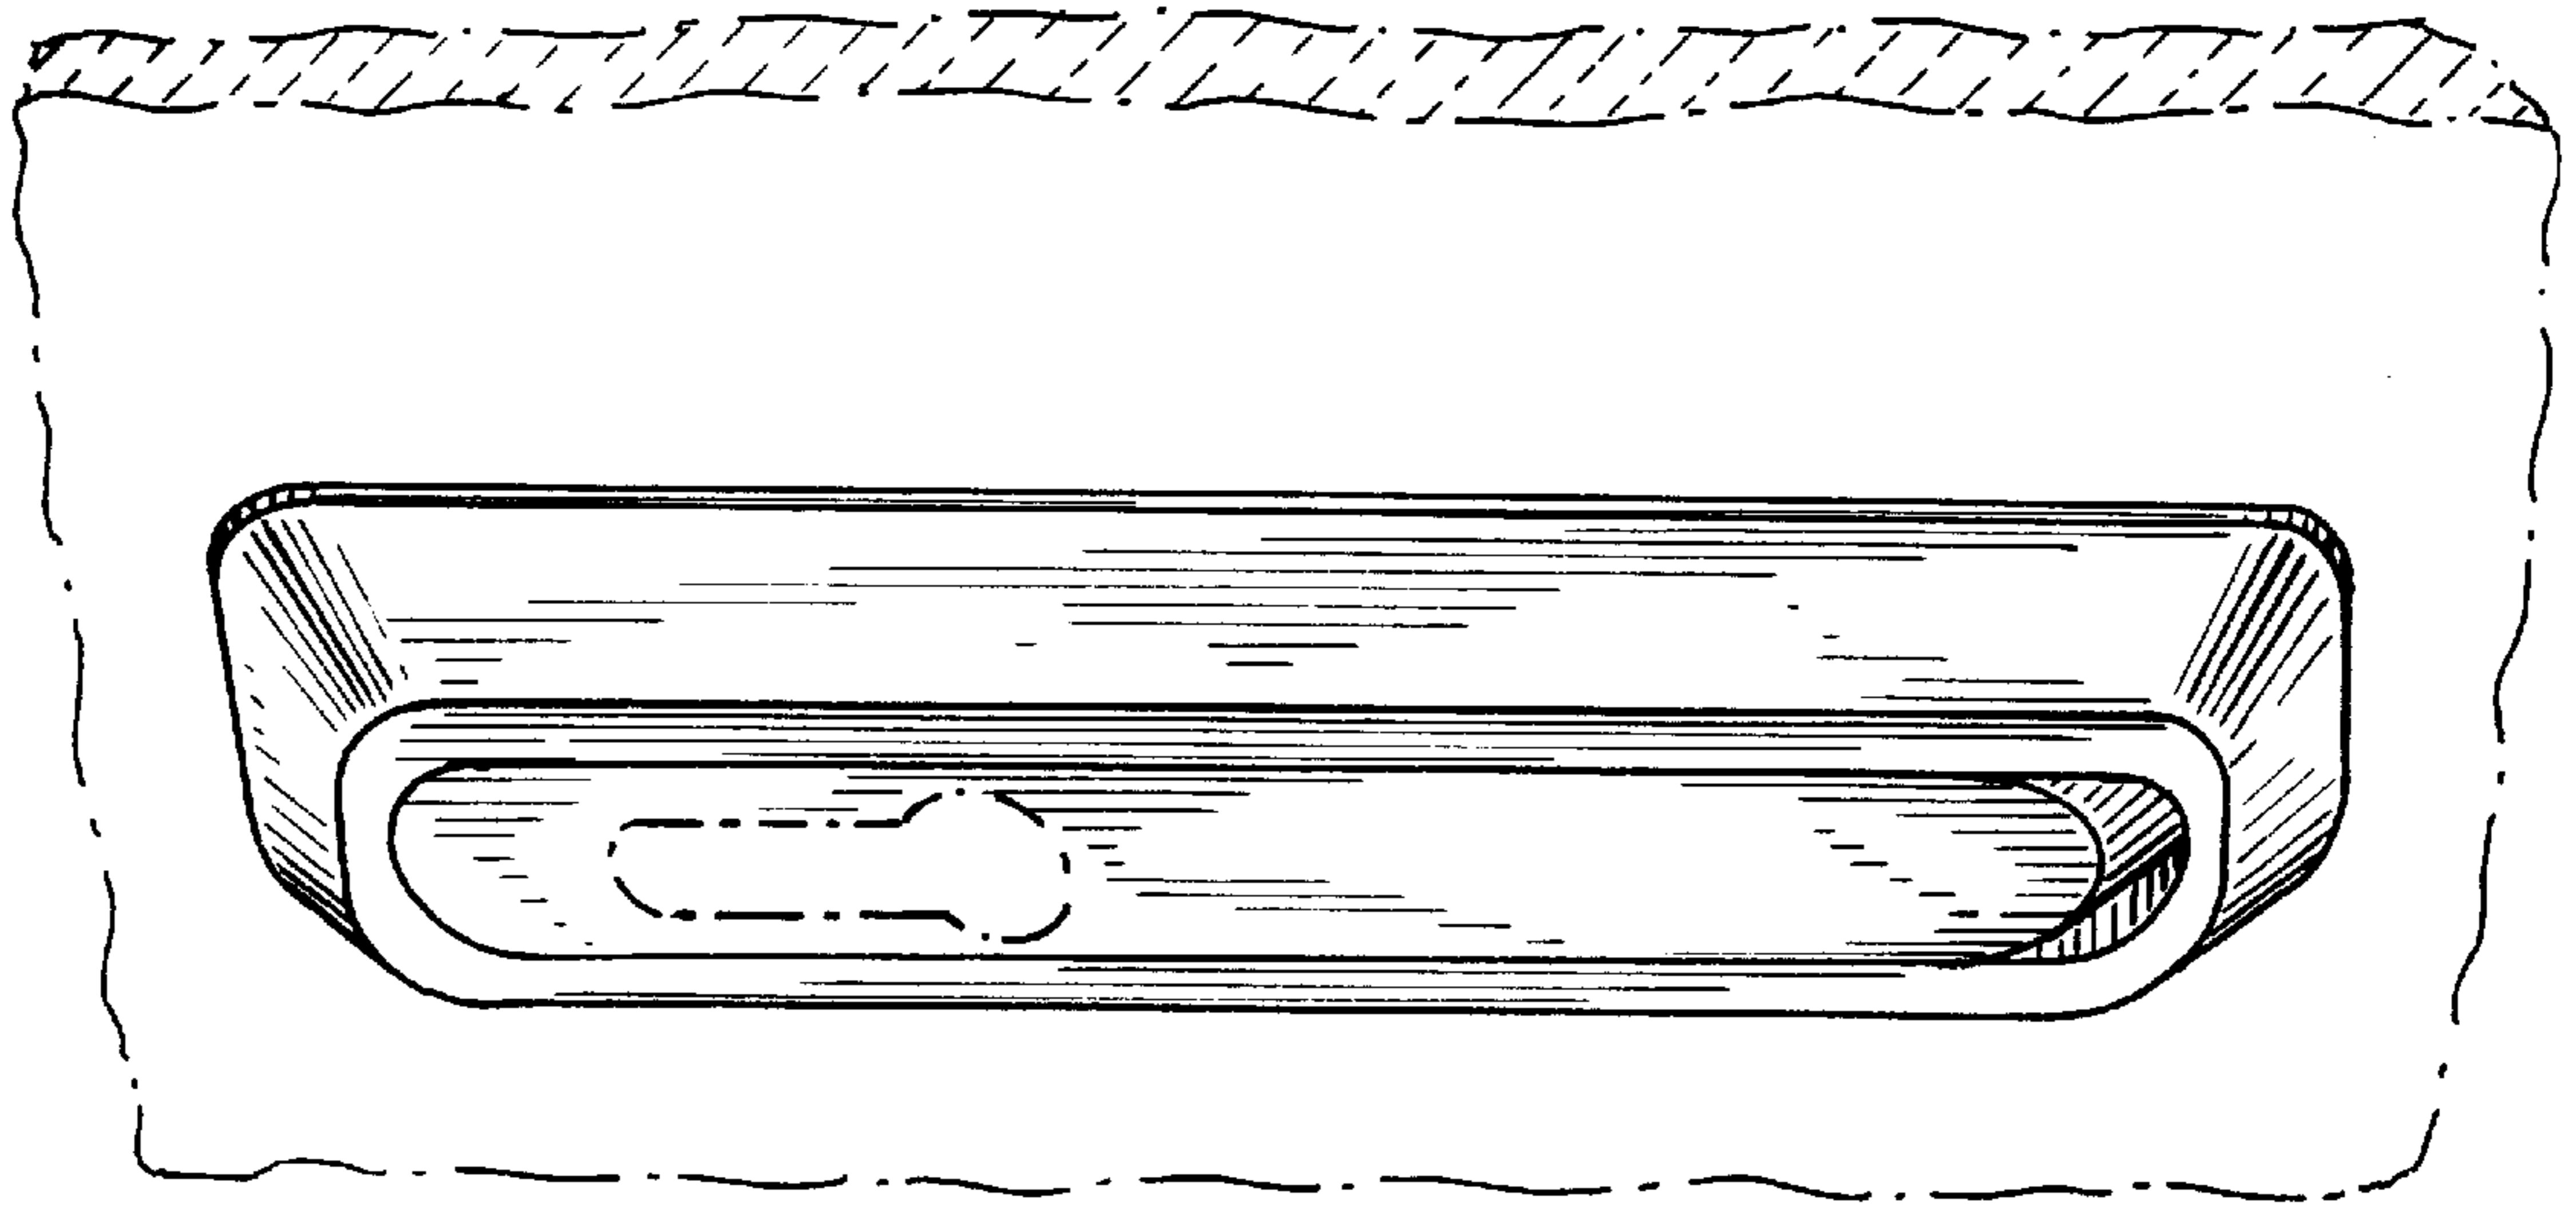

FIG. 5 is a perspective view of the latch of FIG. 1, shown in an open position.

The broken line showing of a panel in the figures is for illustrative purposes only and forms no part of the claimed design.

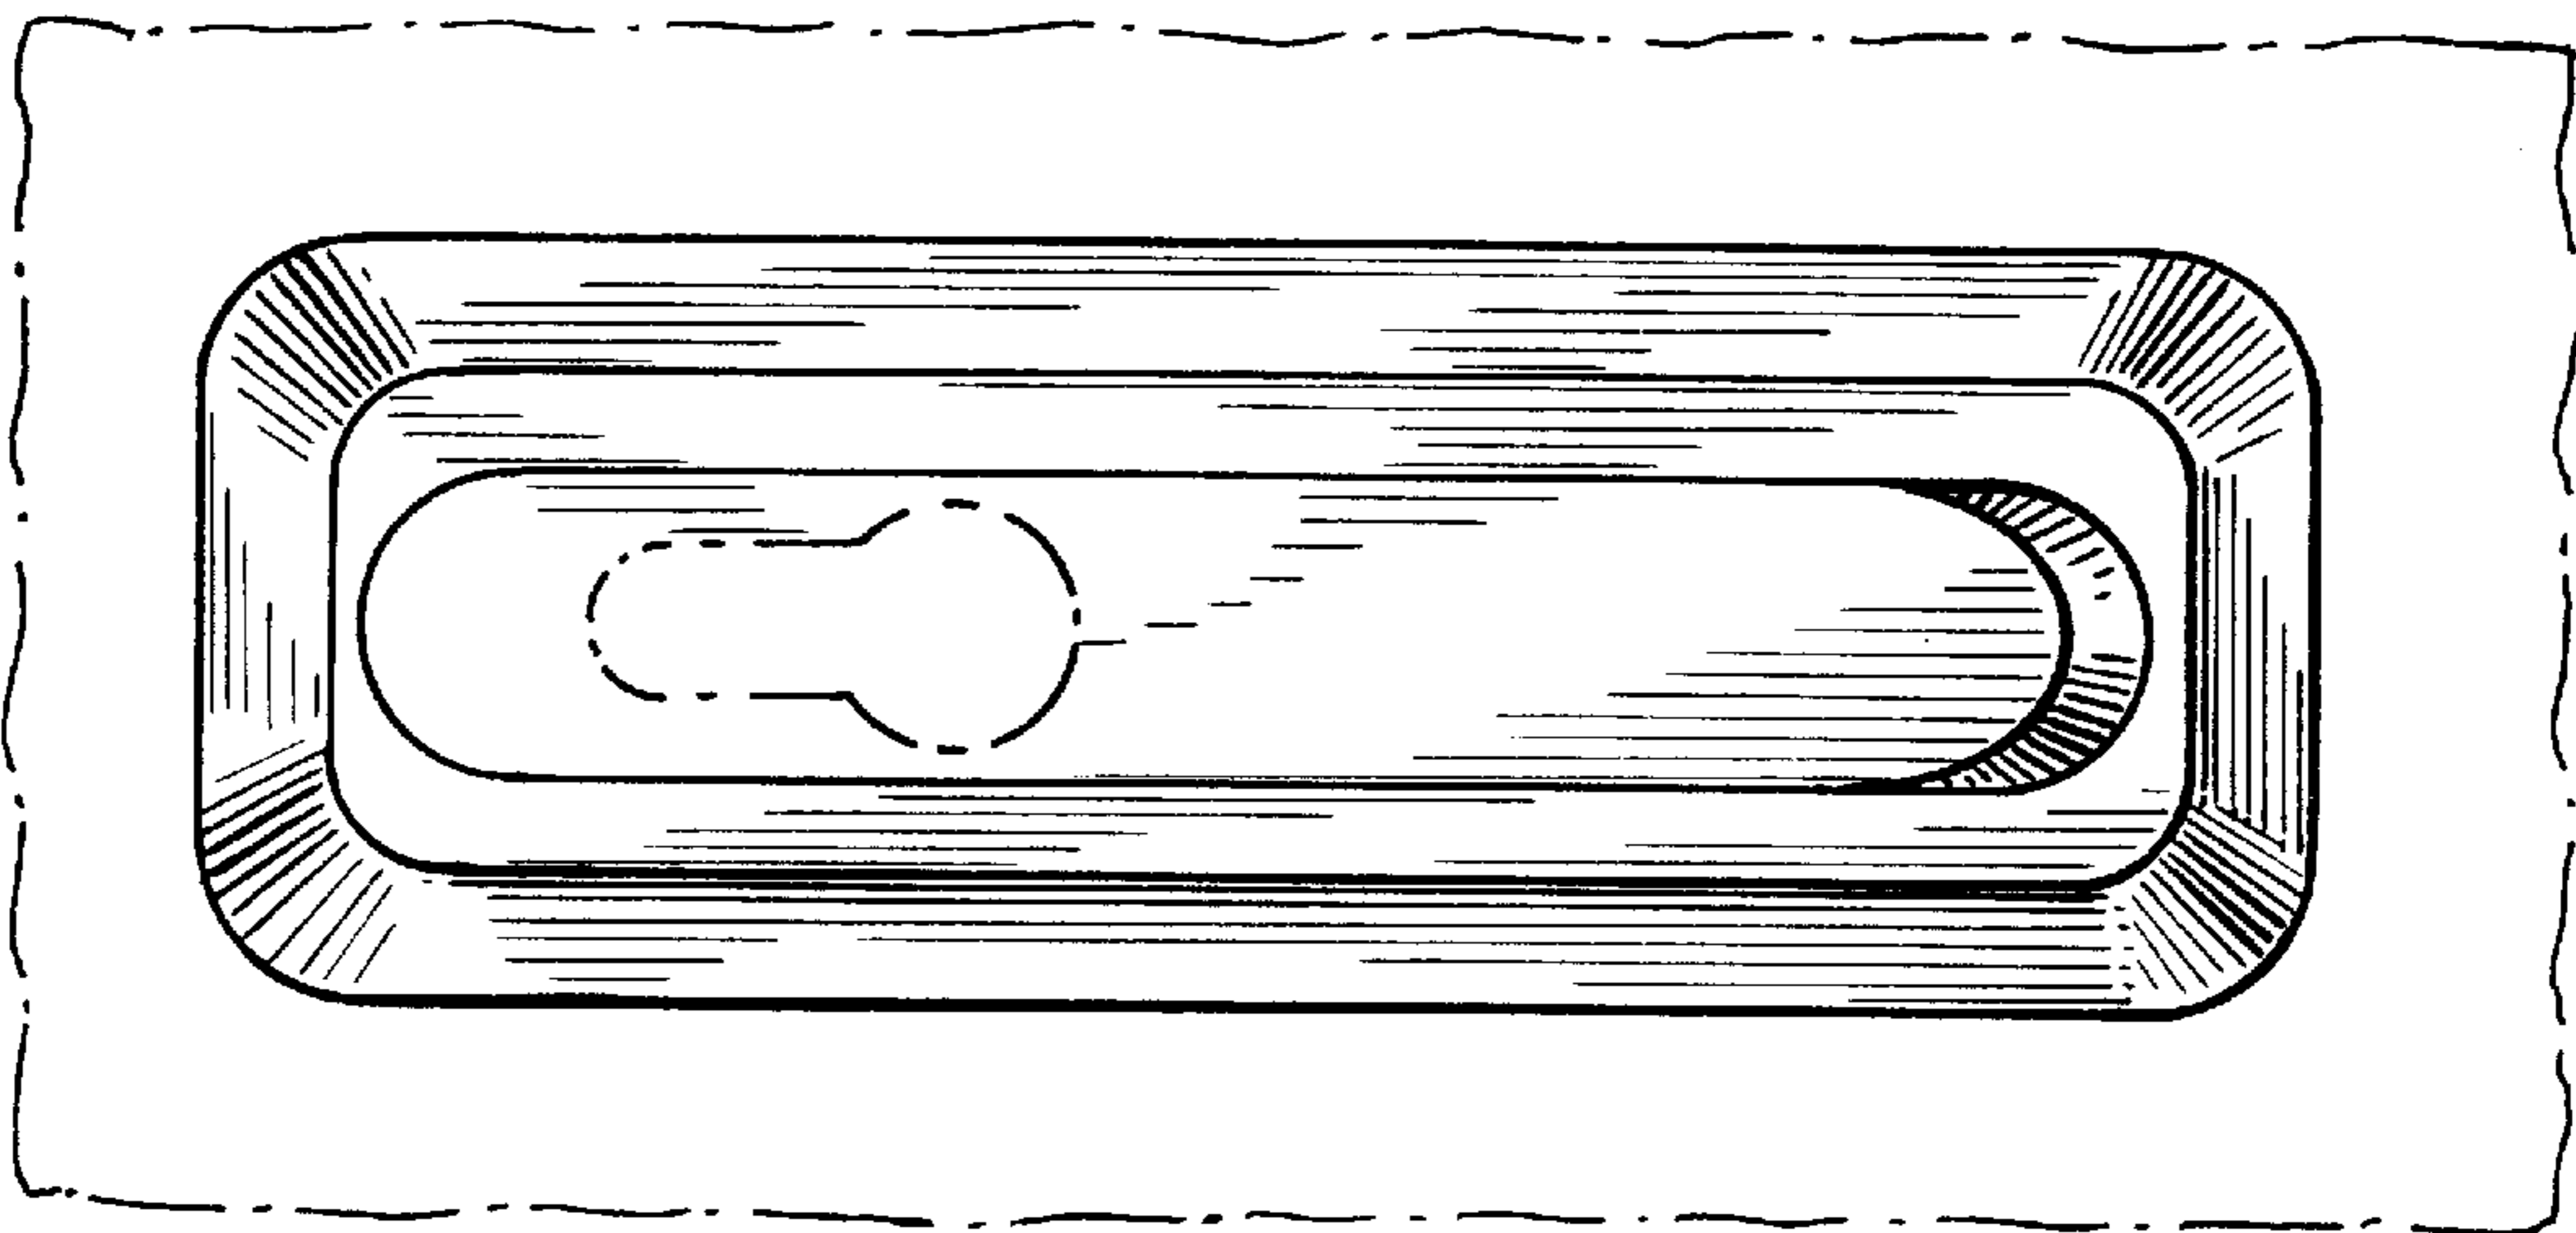

The surface or portion of the article not shown in the drawing or described in the specification form no part of the claimed design.
