[57] **CLAIM**

The ornamental design for a bag handle, as shown and described.

DESCRIPTION

FIG. 1 is a diagrammatic perspective view of the bag handle in full lines with bags shown in broken lines representing environmental association matter being for illustrative purposes only and forming no part of the claimed invention. FIG. 2 is a front elevational view of the bag handle, the rear elevational view being a mirror image of the front view. FIG. 3 is a right side elevational view thereof, the left side elevational view being a mirror image of the right side view. FIG. 4 is a top plan view of the bag handle; and, FIG. 5 is a bottom plan view thereof.
