[57] **CLAIM**

The ornamental design for a container for watering plants, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the subject container for watering plants;

FIG. 2 is a bottom elevational view of the container for watering plants;

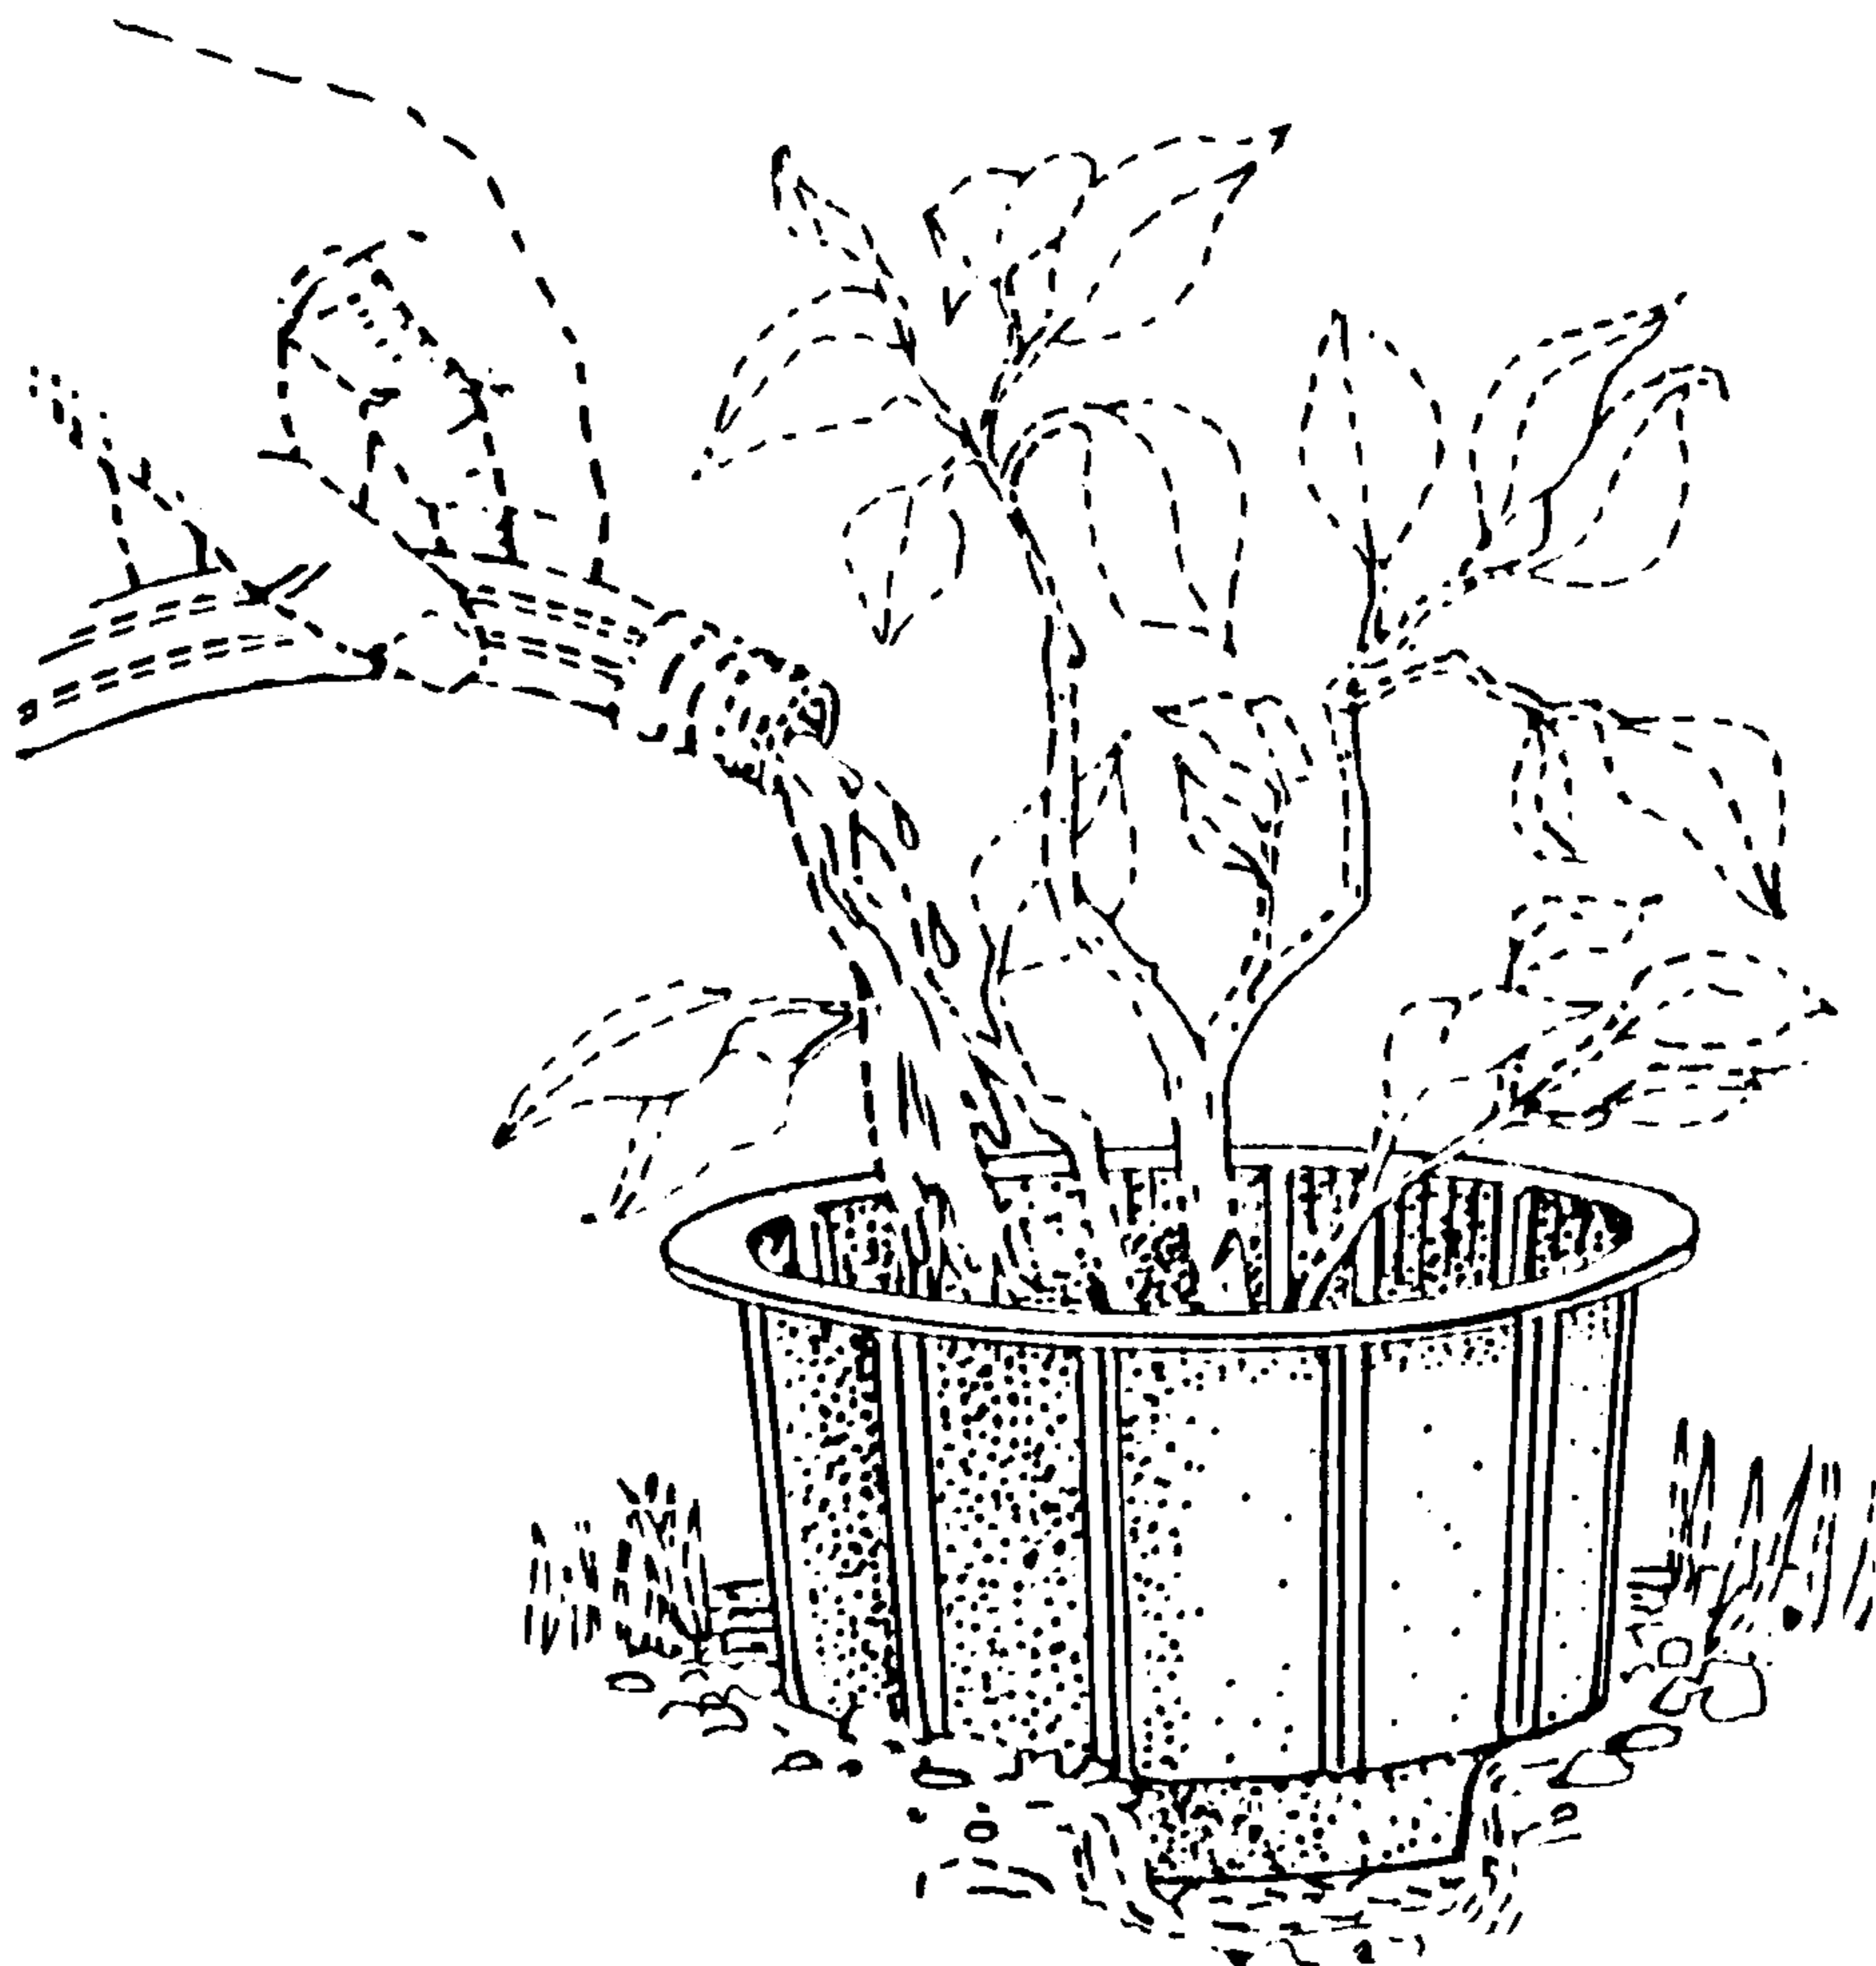

FIG. 3 is a side elevational view of the container for watering plants, this side elevational view is the same side view as seen therearound;

FIG. 4 is a top elevational view of the container for watering plants; and,

FIG. 5 is a perspective view of the container for watering plants.

The broken lines in FIG. 5 showing the ground surface, the water stream, the garden hose and the human hand holding the garden hose are for illustrative purposes only and form no part of the new design as claimed.
