[57] **CLAIM**

The ornamental design for a spare tire security lock, as shown and described.

DESCRIPTION

FIG. 1 is a partially exploded perspective view of a spare tire security lock showing my new design, with phantom lines indicating an intended environment for the invention; FIG. 2 is a perspective view of the invention taken generally from the front; FIG. 3 is a perspective view of the invention taken generally from the rear and opposite to FIG. 2; FIG. 4 is a side elevational view, with the opposite side being a mirror image thereof; FIG. 5 is a front elevational view; FIG. 6 is a rear elevational view; and, FIG. 7 is a top plan view with the opposite side being a mirror image thereof. The phantom lines are shown for illustrative purposes only and form no part of the claimed design.
