[57] CLAIM

The ornamental design for a building block type writing
implement, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a building block type writing
implement, showing my new design;
FIG. 2 is a front elevational view thereof;
FIG. 3 is a right side elevational view thereof;
FIG. 4 is a left side elevational view thereof;
FIG. 5 is a rear elevational view thereof;
FIG. 6 is a top plan view thereof;
FIG. 7 is a bottom plan view thereof;
FIG. 8 is a perspective view thereof in a partial exploded
state (reference view);
FIG. 9 is a front elevational view thereof in a partial
exploded state (reference view);
FIG. 10 is a right side elevational view thereof in a partial
exploded state (reference view);
FIG. 11 is a left elevational view thereof in a partial
exploded state (reference view); and,
FIG. 12 is a rear elevational view thereof in a partial
exploded state (reference view).
