[57] **CLAIM**

The ornamental design for the stopper for medication container, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the stopper for medication container of the present design inserted into a bottle shown in broken lines which bottle forms no part of the present design;
FIG. 2 is a side elevational view of the design, all other sides being identical thereto;
FIG. 3 is a bottom plan view thereof; and,
FIG. 4 is a top plan view thereof.
