[57] **CLAIM**

The ornamental design for a chair, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view taken from the top, front and left side of a chair embodying my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof; the top plan view being substantially similar to the view of FIG. 7 wherein the difference would be the addition of cushions; the bottom plan view being substantially similar to the view of FIG. 8 wherein the difference would be the addition of cushions;

FIG. 4 is a left side elevational view thereof, the right side elevational view being the mirror image thereof;

FIG. 5 is a front elevational view of a second embodiment of my new design wherein the sole difference is the absence of cushions;

FIG. 6 is a rear elevational view thereof;

FIG. 7 is a top plan view thereof;

FIG. 8 is a bottom plan view thereof; and,

FIG. 9 is a left side elevational view thereof, the right side elevational view being the mirror image thereof.
