[57] CLAIM

The ornamental design for a compact disc holder, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a compact disc holder showing my new design. The central area having a yin-yang shape. The surfaces or portions of the article not shown in the drawings or described in the specification form no part of the claimed design. In particular, the depth features shown within the drawing of FIG. 1 do not form part of the ornamental design claimed.
