[57] **CLAIM**

The ornamental design for a pair of handles for a power amplifier, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of a pair of handles for a power amplifier showing my new design; FIG. 2 is a top plan view thereof, the bottom plan view being a mirror image; and, FIG. 3 is a left side elevational view thereof, the right side elevational view being a mirror image. The broken line showing of the face plate of the power amplifier on FIGS. 1 and 2 is for illustrative purposes only and forms no part of the claimed design.
