[57] **CLAIM**

I claim the design for a goggle retention harness system, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the goggle retention harness system, in place attached to goggles and affixed to a helmet, worn by a user;

FIG. 2 is a side elevational view of the goggle retention harness system in place attached to goggles and affixed to a helmet, worn by a user;

FIG. 3 is a side perspective view of the goggle retention harness system in place attached to goggles and affixed to a helmet, worn by a user;

FIG. 4 is an upper front and side perspective view of the right side of the goggle retention harness system;

FIG. 5 is an upper rear and side perspective view of the left side of the goggle retention harness system;

FIG. 6 is an upper rear and side perspective view of the right side of the goggle retention harness system;

FIG. 7 is a top plan view of the goggle retention harness system;

FIG. 8 is a bottom view of the goggle retention harness system; and,

FIG. 9 is an upper front and side perspective view of the left side of the goggle retention harness system.

The broken lines shown in FIGS. 1-9 are for illustrative purposes only and form no part of the claimed design.
