### [57] CLAIM

The ornamental design for a decorated bandage, as shown and described.

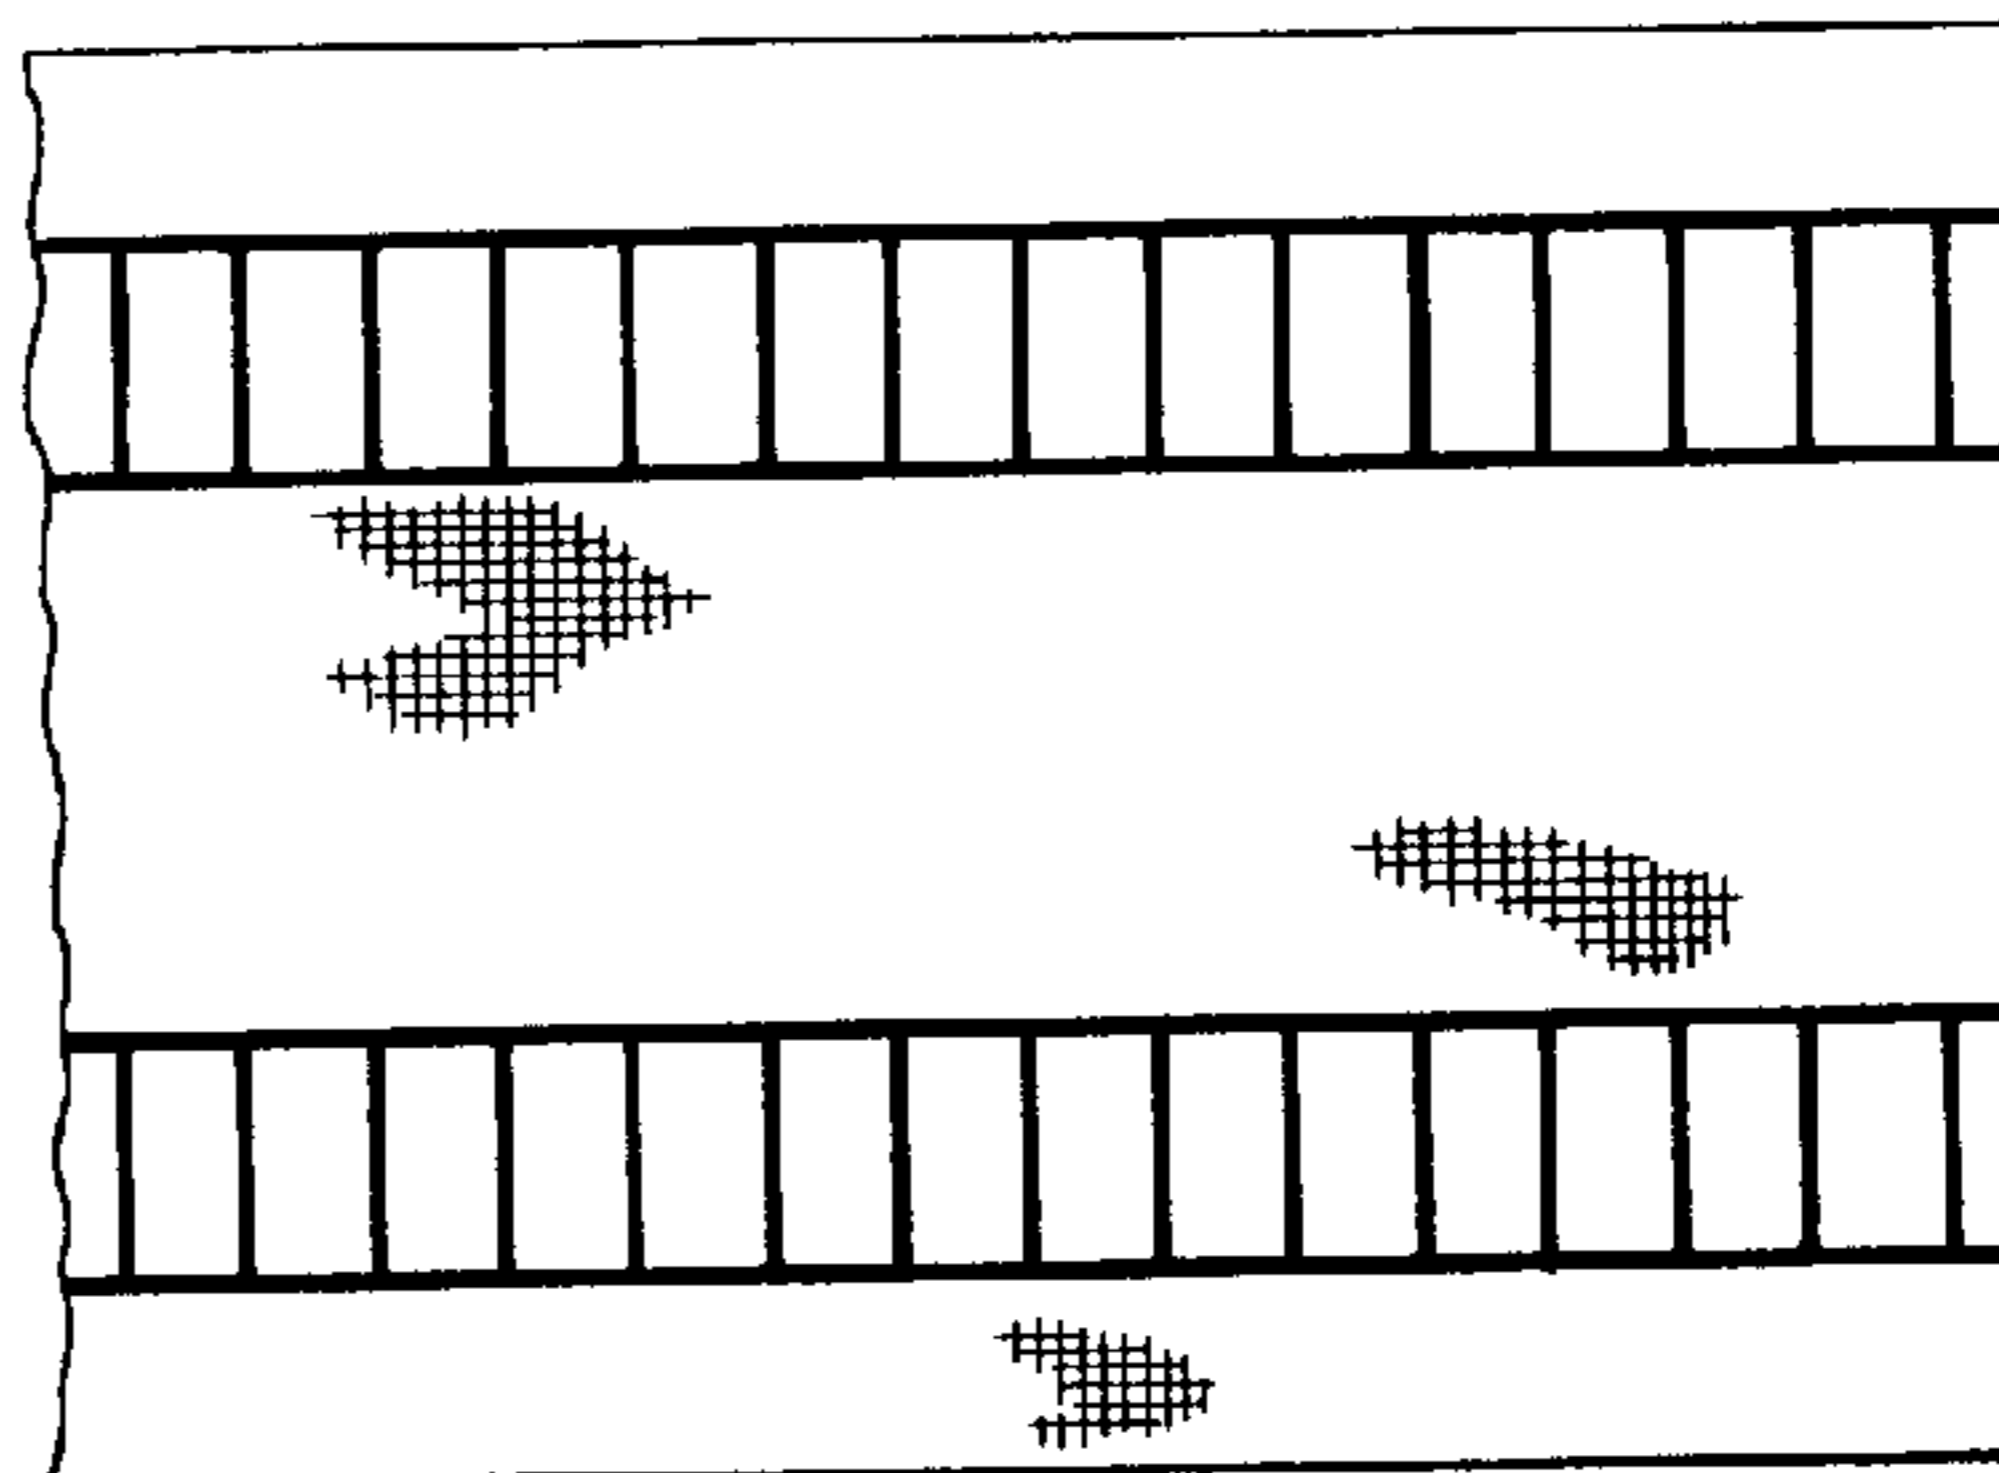

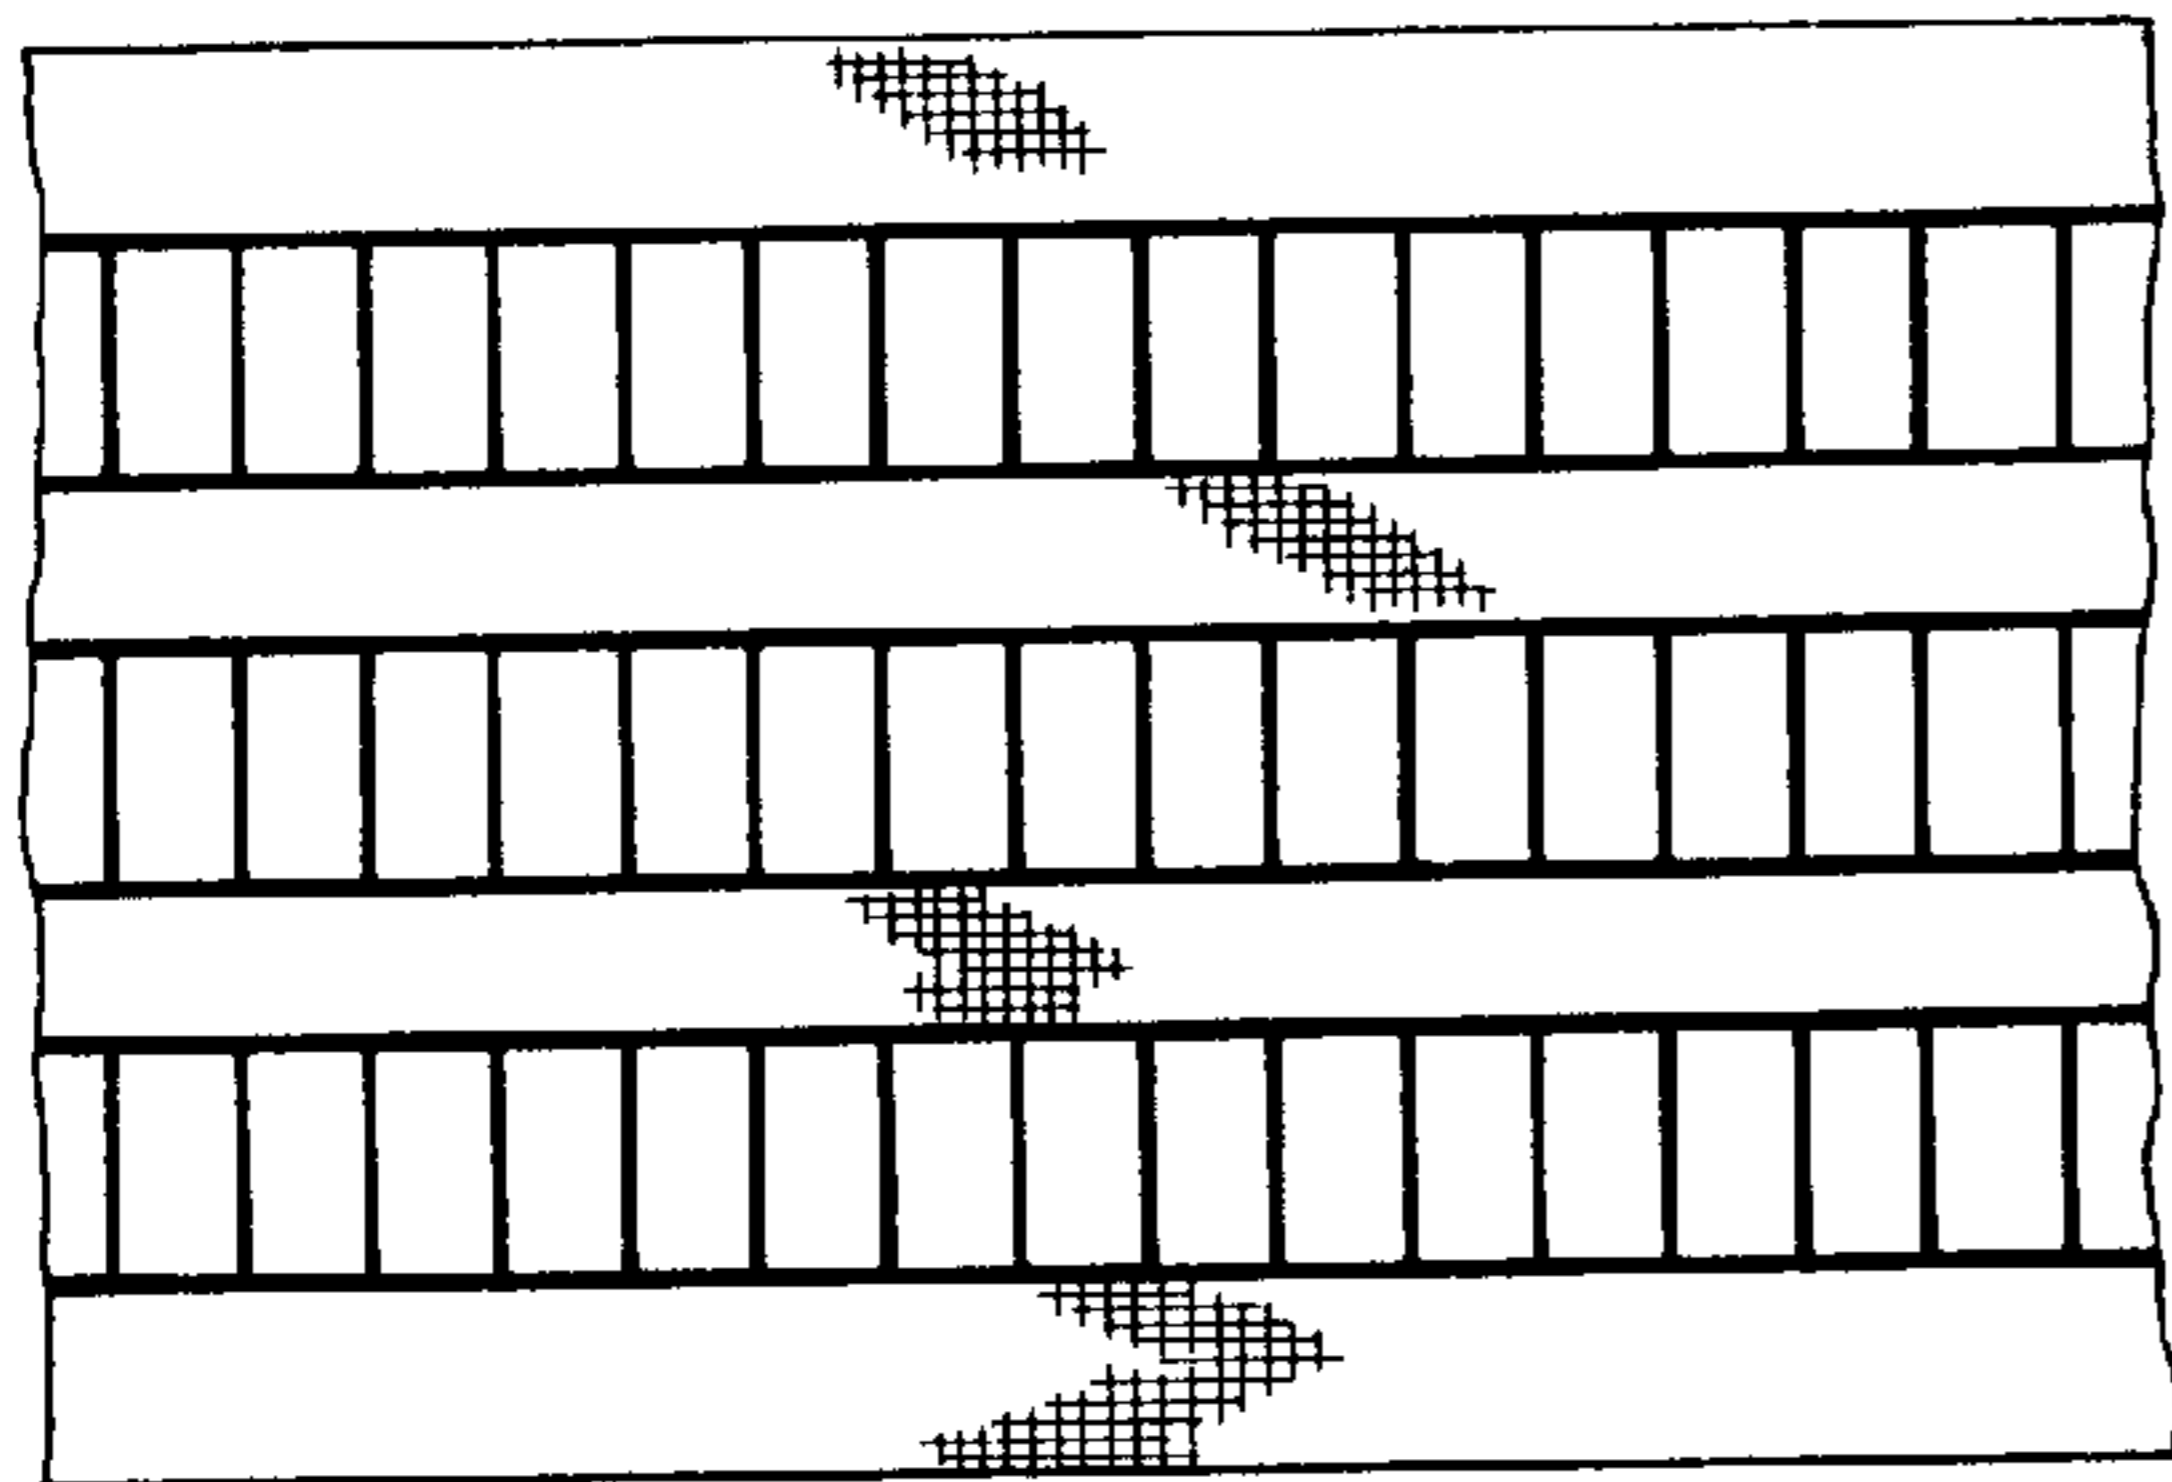

### DESCRIPTION

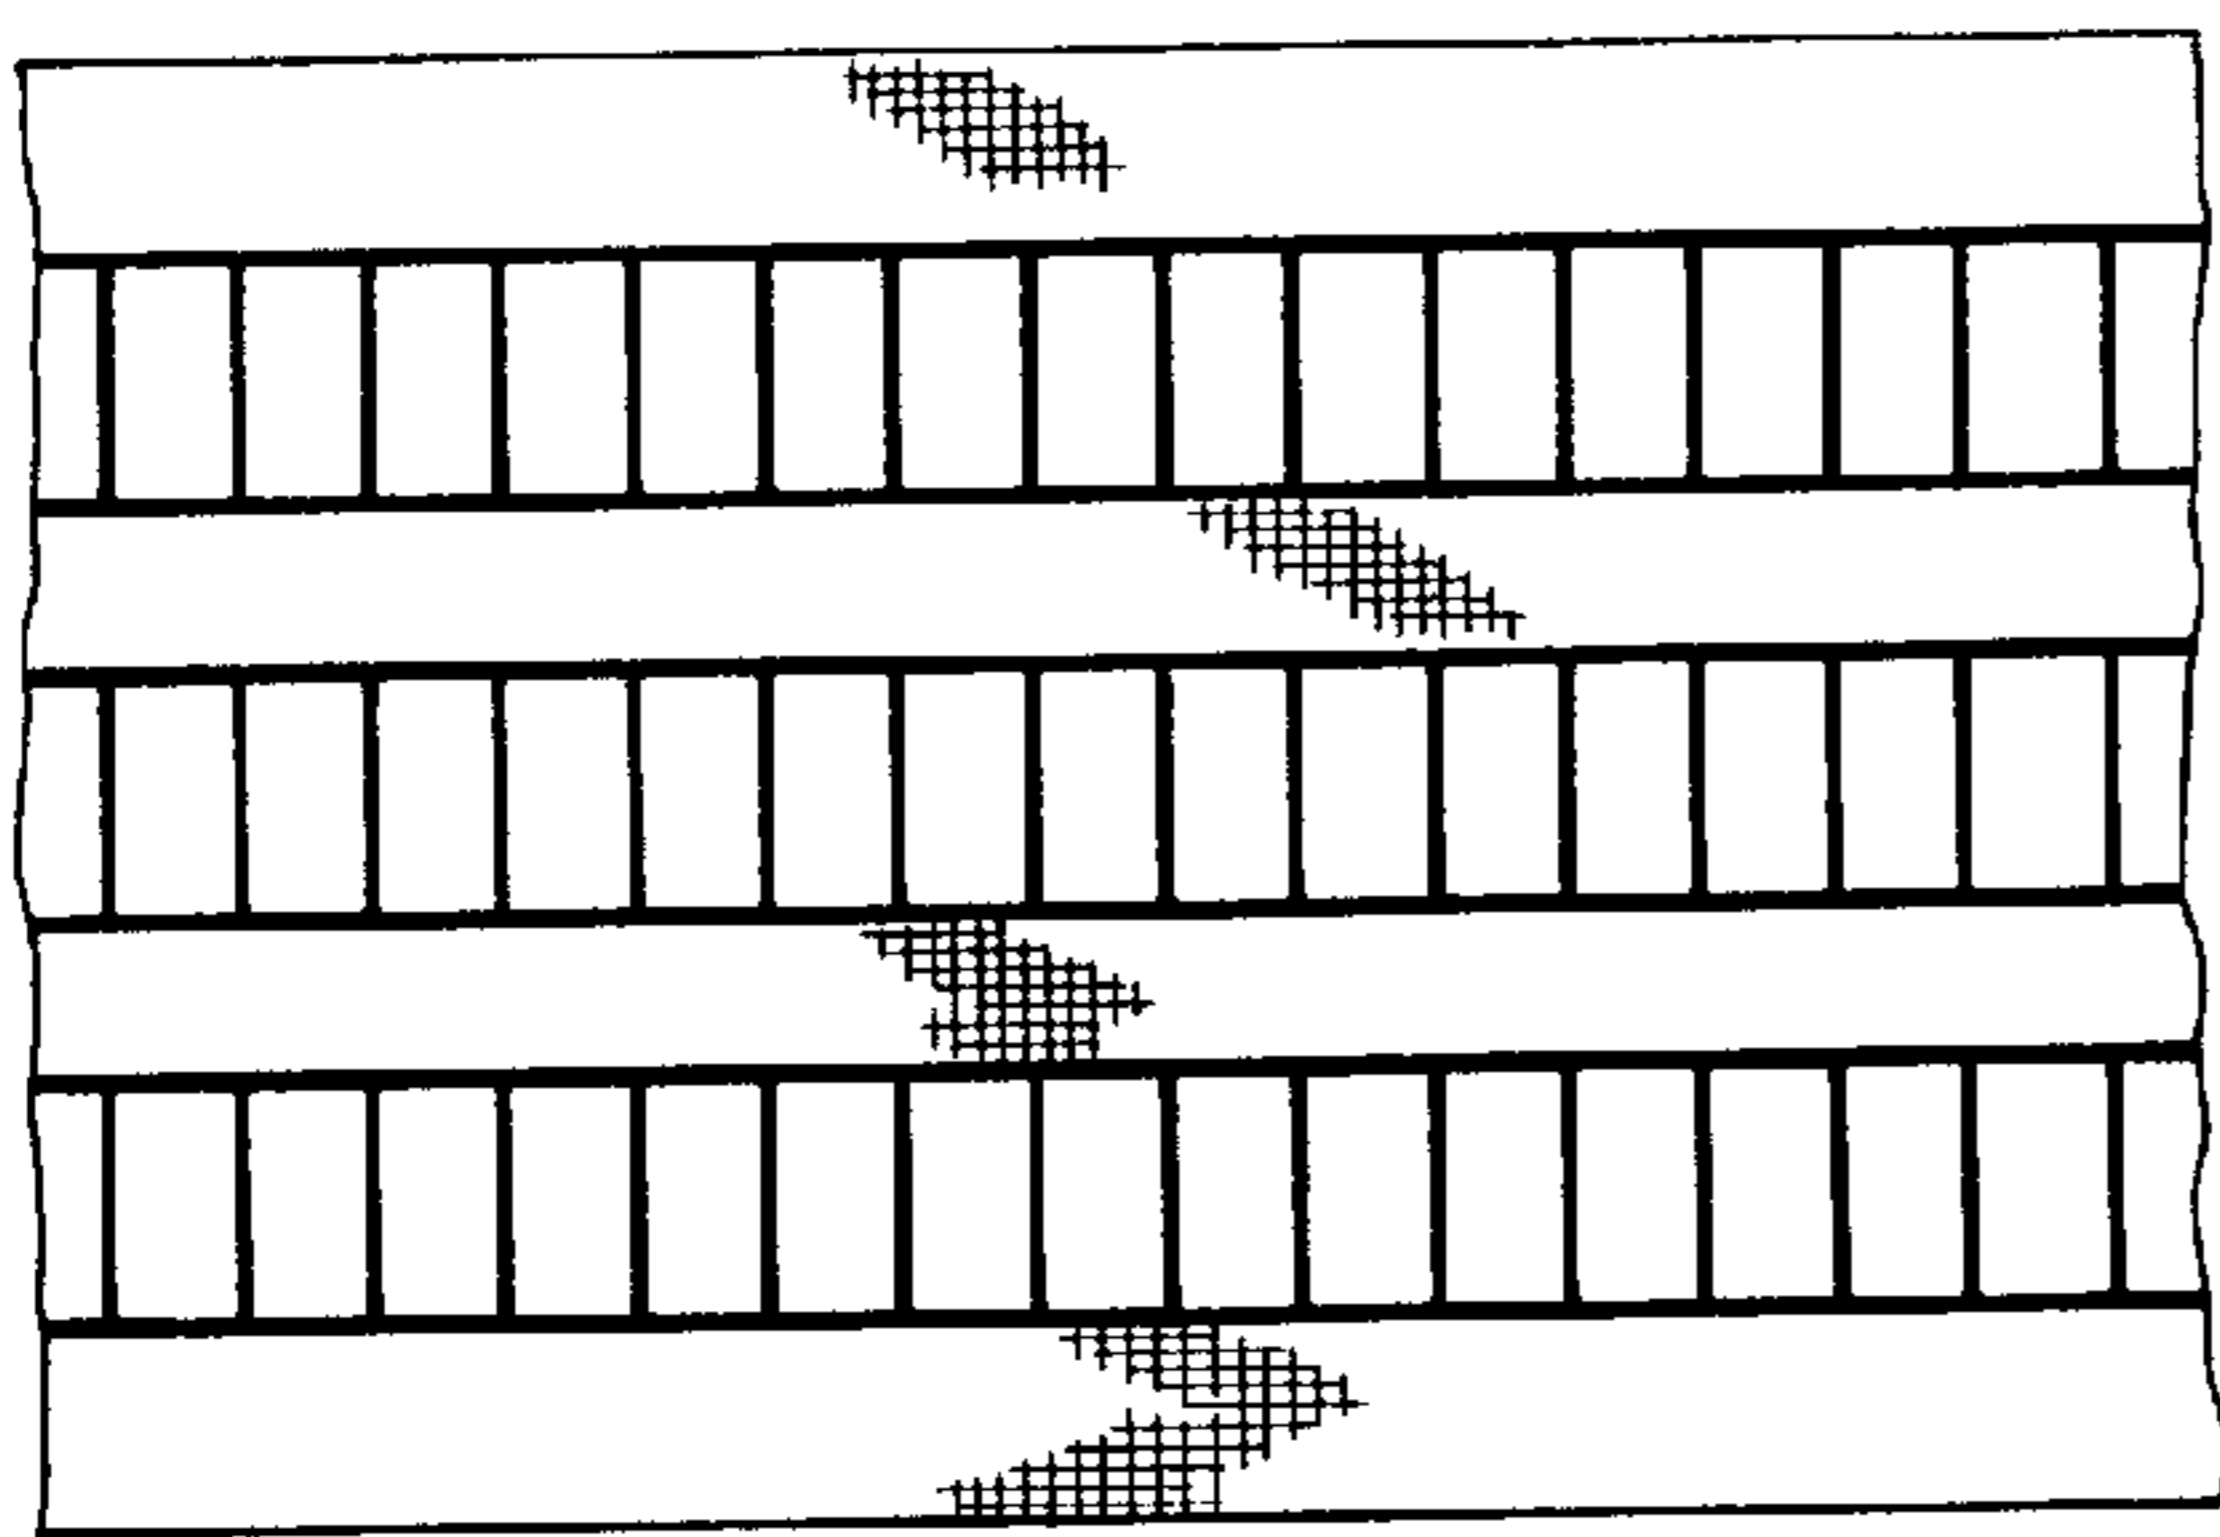

FIG. 1 is a top plan view of a decorated bandage showing our new design, the bottom plan view being a mirror image thereof; and,

FIG. 2 is a top plan view of an alternative embodiment of the decorated bandage shown in FIG. 1, the bottom plan view being a mirror image thereof.

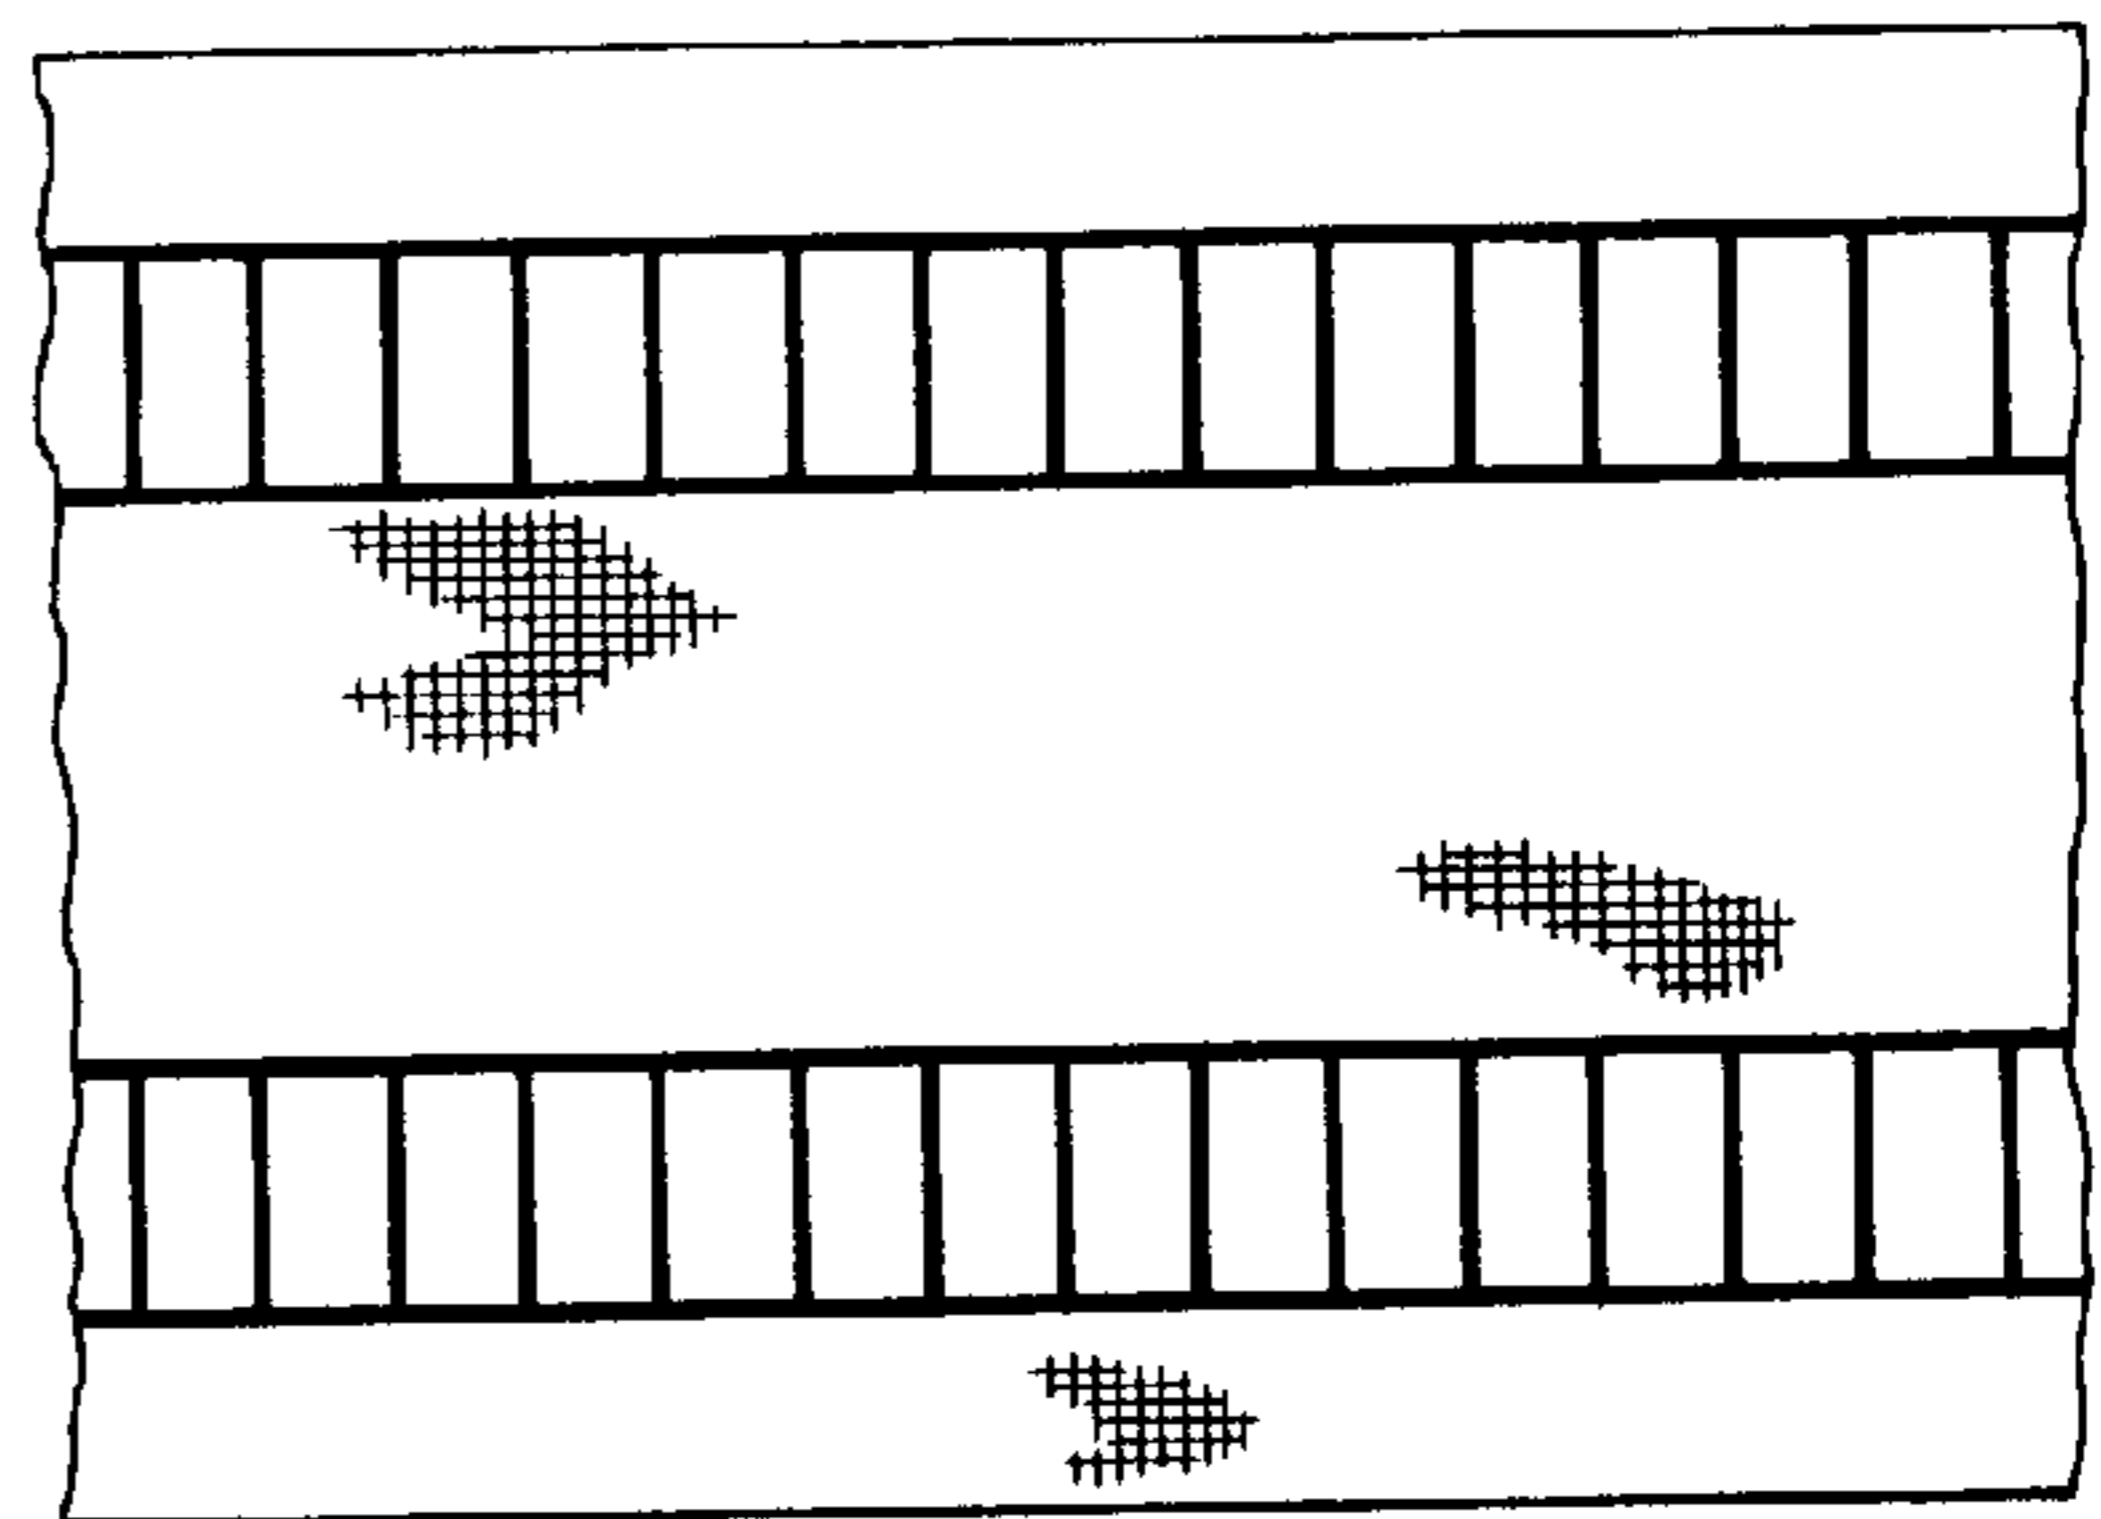

The decorated bandage is made of fabric of conventional thickness. The shading in the drawing indicates contrasting colors but no specific colors are claimed. The broken ends of the drawing figures indicate a decorated bandage of indeterminate length.
