[57] **CLAIM**

The ornamental design for a pair of scales for a knife handle, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view from the upper right front of a pair of scales for a knife handle showing my new design, wherein the broken-line depiction of a knife blade and tang associated herewith is included merely for illustrative purposes and forms no part of the claimed design;

FIG. 2 is a right side elevational view of the pair of scales for a knife handle, the left side elevational view thereof being a mirror image of this view;

FIG. 3 is a top plan view of the pair of scales for a knife handle;

FIG. 4 is a bottom plan view thereof;

FIG. 5 is a rear, or butt, end elevational view thereof;

FIG. 6 is a front, or blade, end elevational view thereof; and,

FIG. 7 is an isometric view thereof taken from the upper right front.
