[57] **CLAIM**

The ornamental design for a dress cover, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a dress cover showing an embodiment of my new design;

FIG. 2 is a front elevational view thereof, with a tear line shown in broken lines, which is symmetrical to a rear elevational view not shown herein;

FIG. 3 is a top plan view thereof;

FIG. 4 is a bottom plan view thereof;

FIG. 5 is a left side elevational view thereof, which is symmetrical to a right side elevational view not shown herein;

FIG. 6 is a front elevational view thereof, with a dress in the cover in accordance with the embodiment of FIG. 1;

FIG. 7 is a front elevational view thereof, shown with the tear lines in a torn open position;

FIG. 8 is a perspective view of a dress cover showing another embodiment of my new design;

FIG. 9 is a front elevational view thereof, with a tear line shown in broken lines, which is symmetrical to a rear elevational view not shown herein;

FIG. 10 is a top plan view thereof;

FIG. 11 is a bottom plan view thereof;

FIG. 12 is a left side elevational view thereof, which is symmetrical to a right side elevational view not shown herein;

FIG. 13 is a front elevational view thereof, with a dress in the cover in accordance with the embodiment of FIG. 8;

FIG. 14 is a front elevational view thereof, shown with the tear lines in a torn open position;

FIG. 15 is a perspective view of a dress cover showing a still another embodiment of my new design;

FIG. 16 is a front elevational view thereof, with a tear line shown in broken lines, which is symmetrical to a rear elevational view not shown herein;

FIG. 17 is a top plan view thereof;

FIG. 18 is a bottom plan view thereof;

FIG. 19 is a left side elevational view thereof, which is symmetrical to a right side elevational view not shown herein;

FIG. 20 is a front elevational view thereof, with a dress in the cover in accordance with the embodiment of FIG. 15; and,

FIG. 21 is a front elevational view thereof, shown with the tear lines in a torn open position.

The broken line showing of a dress is for illustrative purposes only and forms no part of the claimed design.
