[57] **CLAIM**

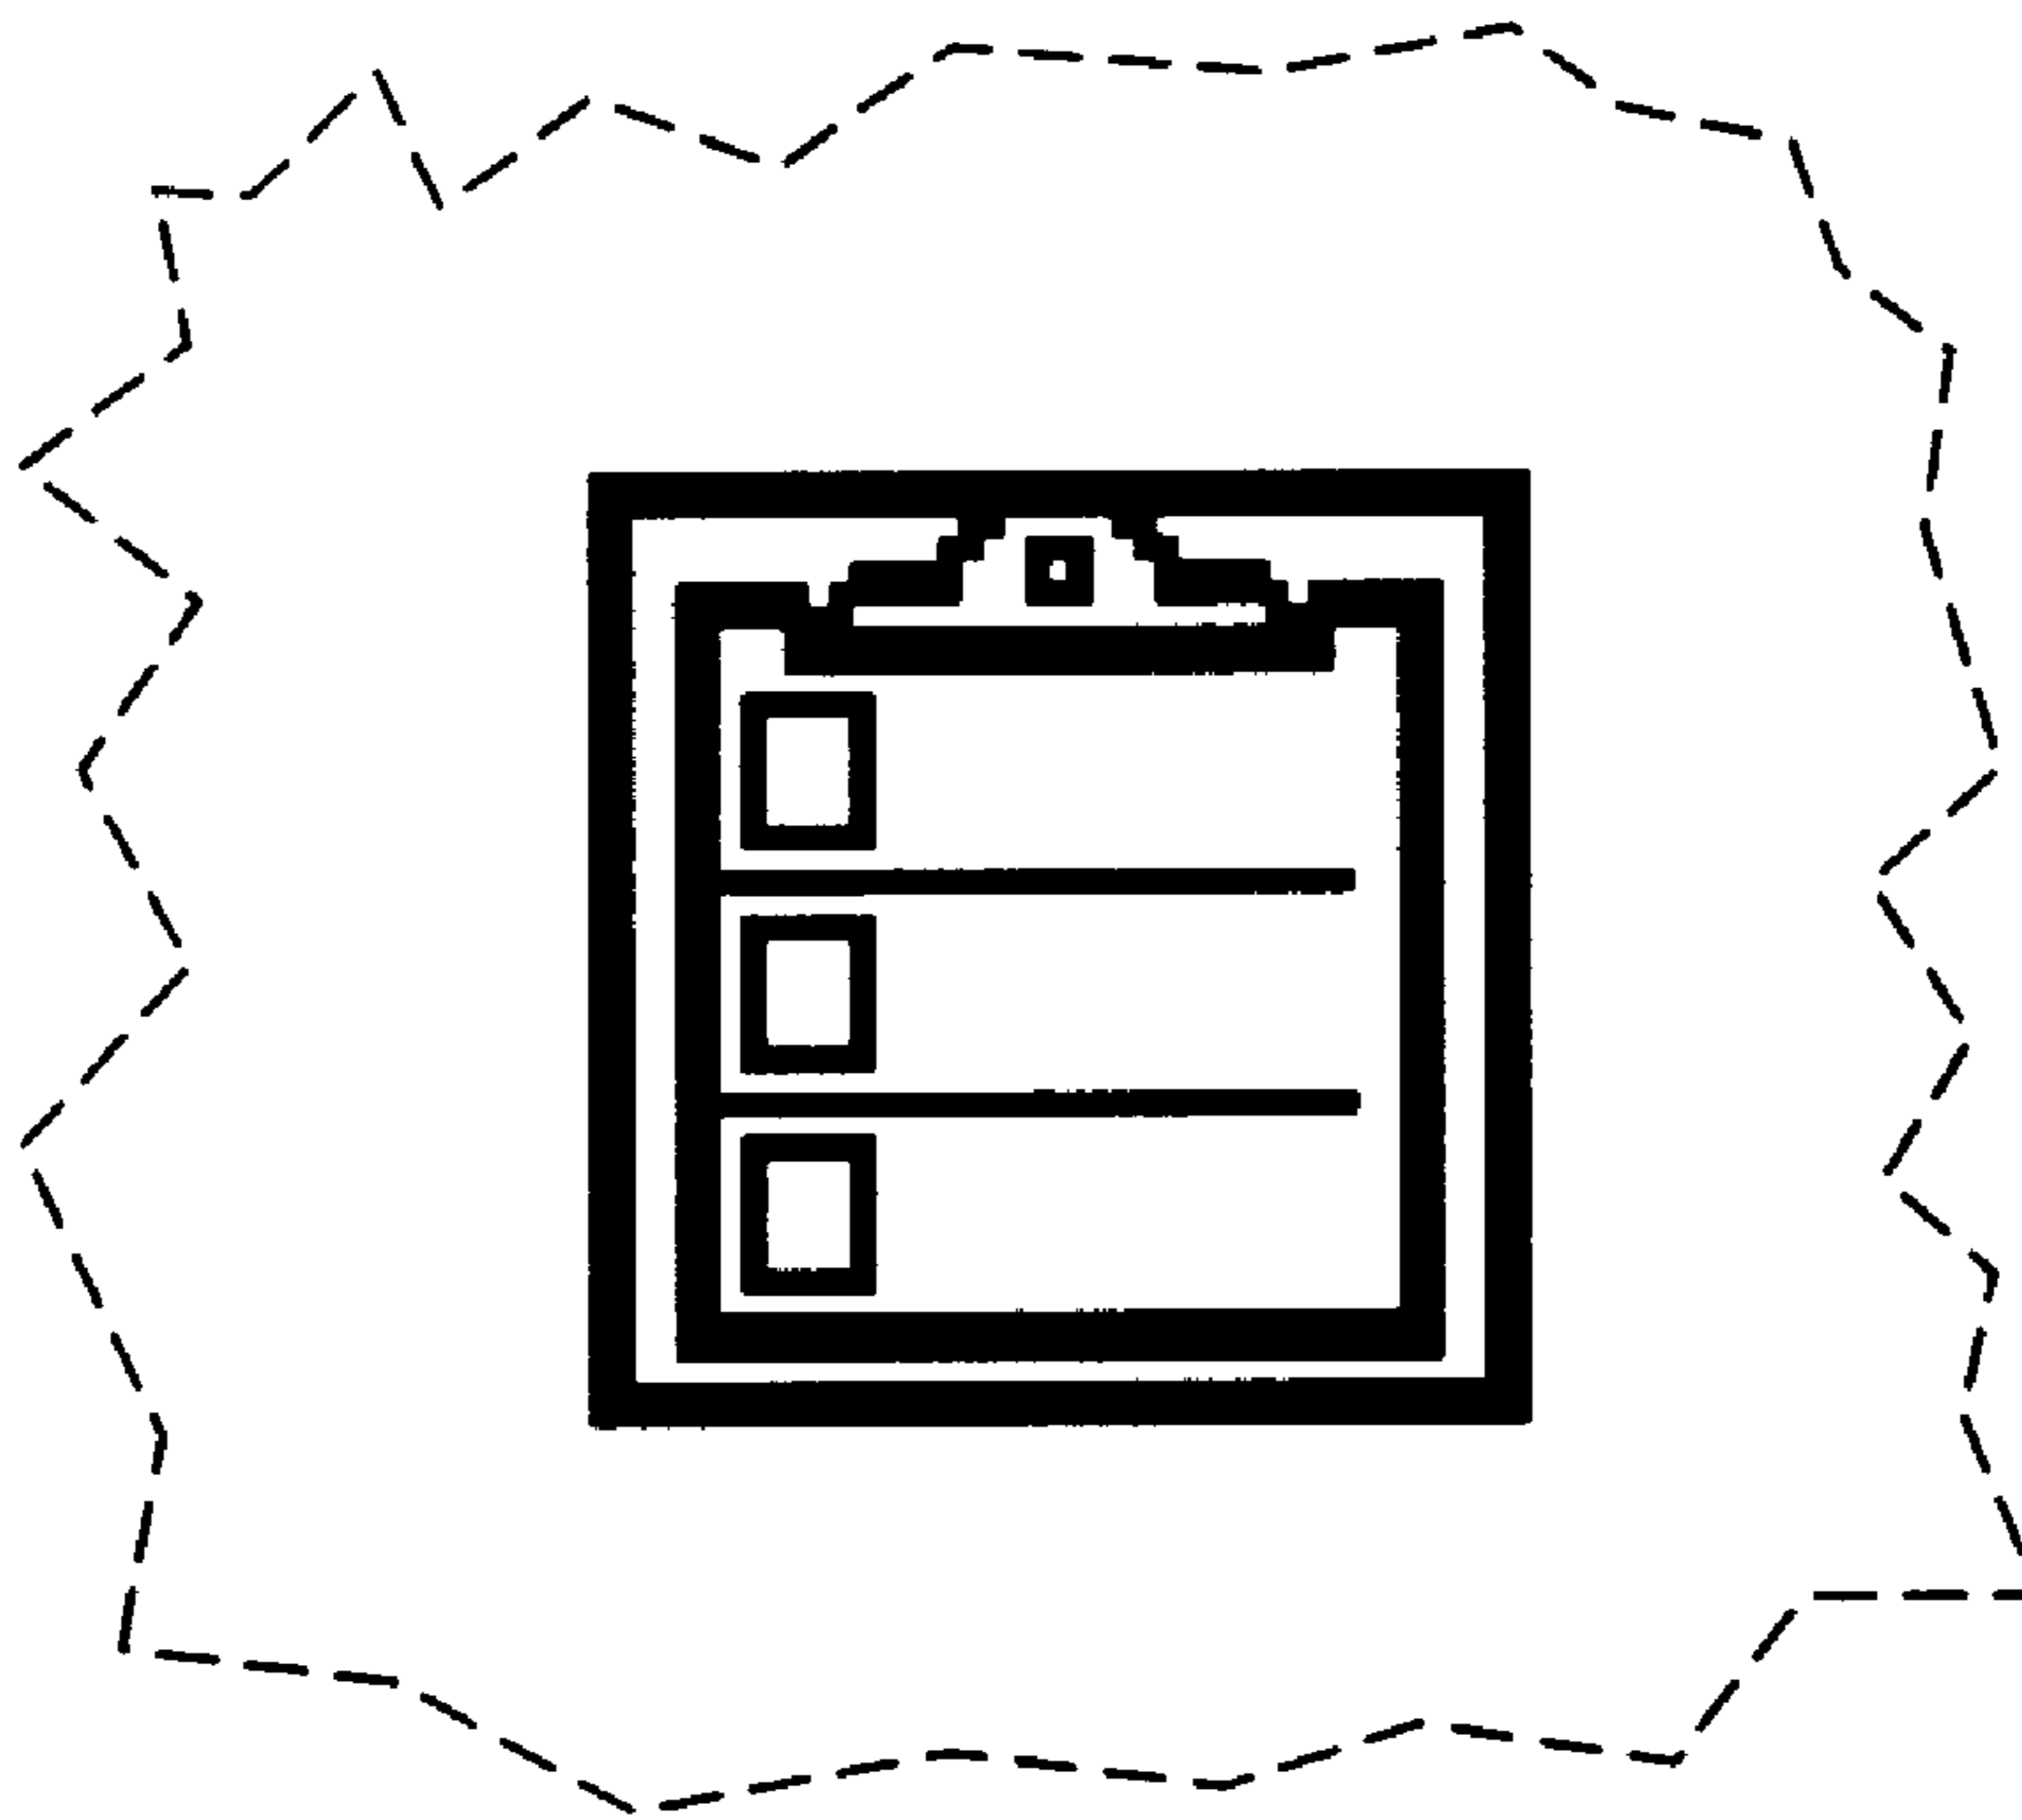

The ornamental design for a job manager icon for a portion of a computer display, as shown and described.

DESCRIPTION

FIG. 1 is a face view of our new design for a job manager icon for a portion of a computer display; and, FIG. 2 is an enlarged face view of the job manager icon for a portion of a computer display of FIG. 1.

The broken line drawing of an undefined portion of a display screen in all views is for illustrative purposes only and forms no part of the claimed design.
