[57] **CLAIM**

The ornamental design for a pager module, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a pager module showing my new design.

FIG. 2 is a side view of the new pager module, with the opposite side having a mirror image of the view of FIG. 2; and,

FIG. 3 is a rear view of the new pager module.

The top and bottom views of the pager module which are not illustrated herein form no part of the claimed design.
