[57] **CLAIM**

The ornamental design for a paving stone, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a paving stone having partial octagonal cut-outs showing my new design;

FIG. 2 is a top plan view, the bottom being a mirror image thereof;

FIG. 3 is a right side view, the left being a mirror image thereof;

FIG. 4 is a front view, the rear view being a mirror image thereof;

FIG. 5 is a perspective view of a paving stone showing a second embodiment of my new design having partial octagonal cut-outs and a chamfered upper edge;

FIG. 6 is a top plan view thereof;

FIG. 7 is a right side view thereof;

FIG. 8 is a front view, the rear being a mirror image thereof;

FIG. 9 is a bottom plan view thereof; and,

FIG. 10 is a left side view thereof.

The fragmentary shading shown on the top and bottom of the paving stone in FIGS. 1, 2, 5, 6 and 9 represents a roughened surface and is understood to be repeated throughout the top and bottom surfaces shown.
