[57] **CLAIM**

The ornamental design for a nail polish bottle cap opener, as shown and described.

DESCRIPTION

FIG. 1 is a perspective top view of a nail polish bottle cap opener in accordance with my design;
FIG. 2 is top plan view thereof the bottom being the same in appearance except that the lines representing the points of the exterior protruding stars would be spaced out slightly more; and,
FIG. 3 is a typical elevational side view thereof.
