[57] CLAIM

The ornamental design for a floating object game, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a floating object game in accordance with my new design;
FIG. 2 is an elevational view thereof;
FIG. 3 is a bottom plan view thereof; and,
FIG. 4 is a top plan view thereof.
The broken line showing the base and the alternate position of the inside tire is for illustrative purposes only and forms no part of the claimed design.
